

MEMORANDUM

Bellevue Parks &
Community Services

DATE: October 20, 2025

TO: Human Services Commission Members

FROM: Donna Adair, Human Services Planner
Human Services Division
Parks & Community Services Department

Agenda item for October 20th, 2025

Public Hearing on Human Services Needs in Bellevue

The department of Housing and Urban Development (HUD) regulations require the City to hold two public hearings for Community Development Block Grant (CDBG) funding each year on housing and human services needs in Bellevue. The information and input will be used to inform future human services funding recommendations and is considered during the 2026 CDBG funding allocation process and will be included in the 2026 Annual Action Plan. Following the public hearing the Human Services Commission makes its final 2026 CDBG funding recommendations.

All interested persons and members of the public are invited to provide comment on housing, community development and human services needs in Bellevue.
