The BelRed Arts District alliance held an event called Pride on the Corner on June 28 with their new Executive Director, Sandy Vo, and in partnership with Pride Across the Bridge. The location of this flag is at 134<sup>th</sup> Ave NE and Spring Blvd.

### **Grand Connection**

Update: Staff are planning the launch of community outreach for the Grand Connection Crossing Art Plan and Preliminary Artwork Concept.

The City of Bellevue is also officially launching an Office of the Grand Connection, equipping itself to activate the city's main pedestrian corridor through downtown fully. The Office of the Grand Connection will include a centralized team of expert staff and a newly hired director to streamline decision-making and advance the program's I-405 crossing component.

### **Portable Art Collection**

Update: The newly acquired artworks are hung and will be celebrated at an artist's reception on July 9 at 6 pm, immediately following the Arts Commission meeting. Please join us!

### **Temporary Public Art Projects**

Update: Staff received two concept designs from the top two artists in the selection pool. After consulting with the broader team, including Transportation staff, it was decided to amend the project to include both. Each artist will develop four designs and be compensated as advertised in the call – they will then be tasked with creating two options for two crosswalk locations. Any designs not installed now, the city will own and could potentially install later if the outcome of the traffic safety study is positive. Outreach, including design input for both artists' concept designs, is expected to occur in August.

The call for artists for utility box wraps has closed, with 176 applications received. Next steps will be selecting up to 12 artists, determining final box locations, and then working with artists to develop designs for installation in 2026.

### **Public Art Collection & Maintenance**

Update: Summer maintenance is underway – so far, *Piloti* has received a comprehensive gentle scrub and wash, *Salmon Woman & Raven*, *Double Inquiry* and *Apostle of Peace (Gandhi)* received a pressure wash and scrub, torch and waxing. *Hatching Bird* and *Menace de Modernisme* received a coating of a wood preservative. *Giga Now* and *Arc with Four Forms* were also cleaned. Additional artworks will be maintained in the coming weeks and months, with a total of 30 artworks planned for maintenance this year.
