

# Continued Discussion of Initiation of the Neighborhood Area Planning Program

Mac Cummins  
Terry Cullen

Mike-McCormick-Huentelman  
Deborah Munkberg

July 9, 2018

# Direction Requested

Whether to:

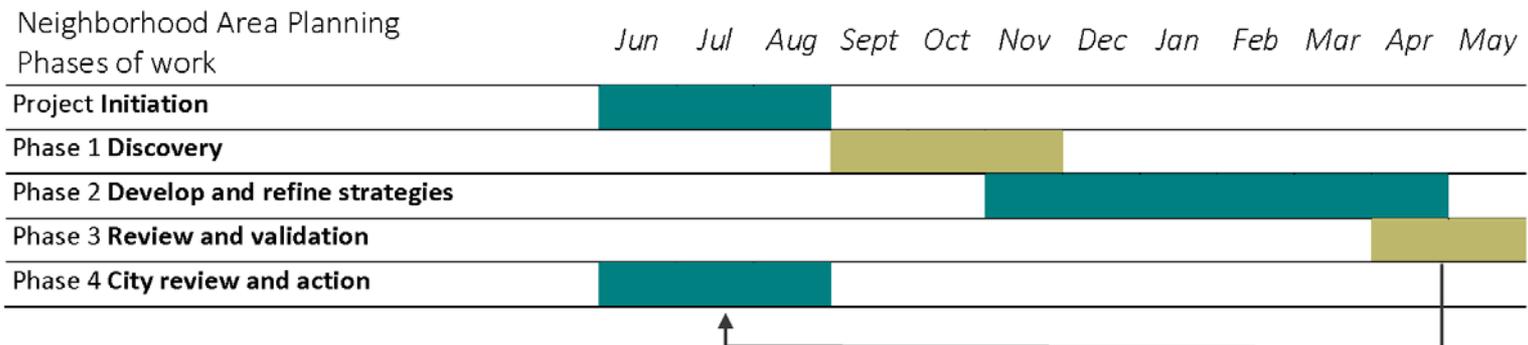

- Continue to move forward with initiation of neighborhood area planning
- Bring forward for Council review options for an approach to neighborhood planning sequencing

# Neighborhood Area Planning

## process overview

- 1 year planning process; 2 plans per year
- Collaborative, inclusive engagement
- Organic planning process
- Strategic and future focused

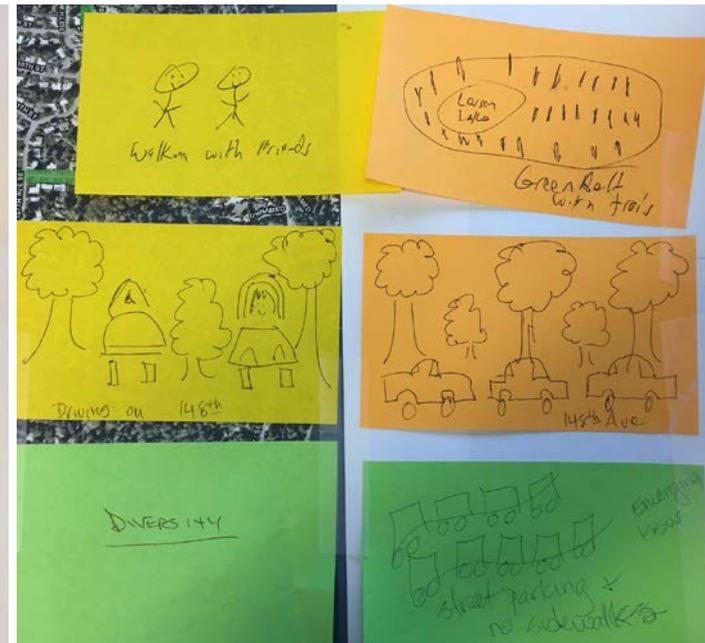

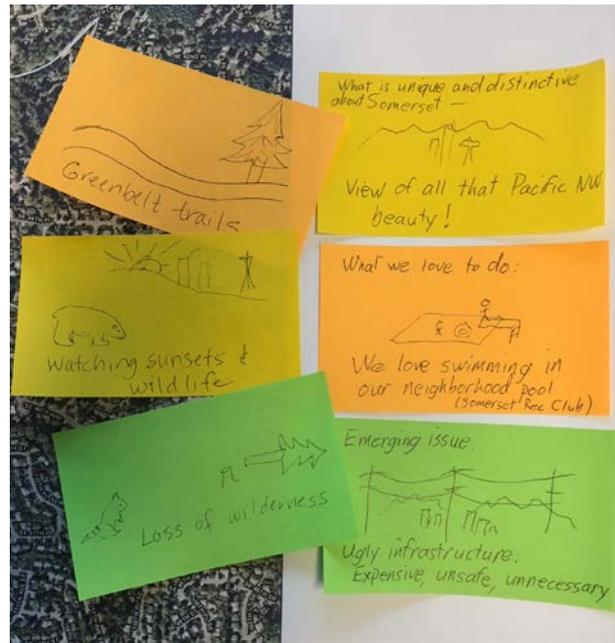

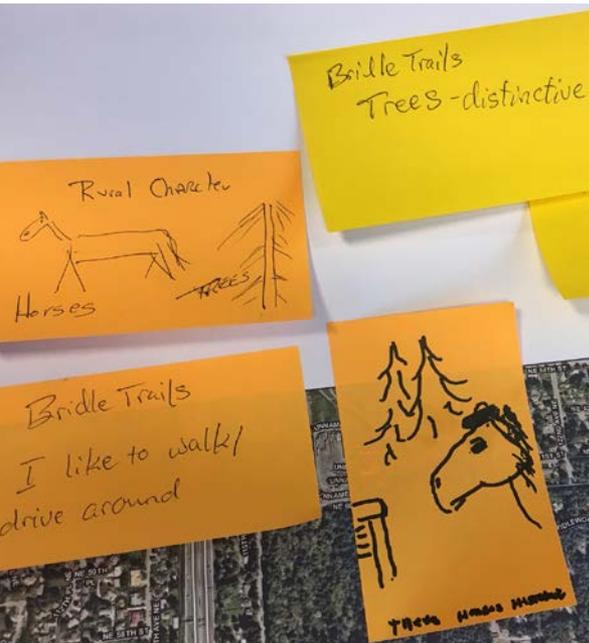

# Neighborhood Leaders Forum

**June 12, 2018**

# Neighborhood Leaders Forum

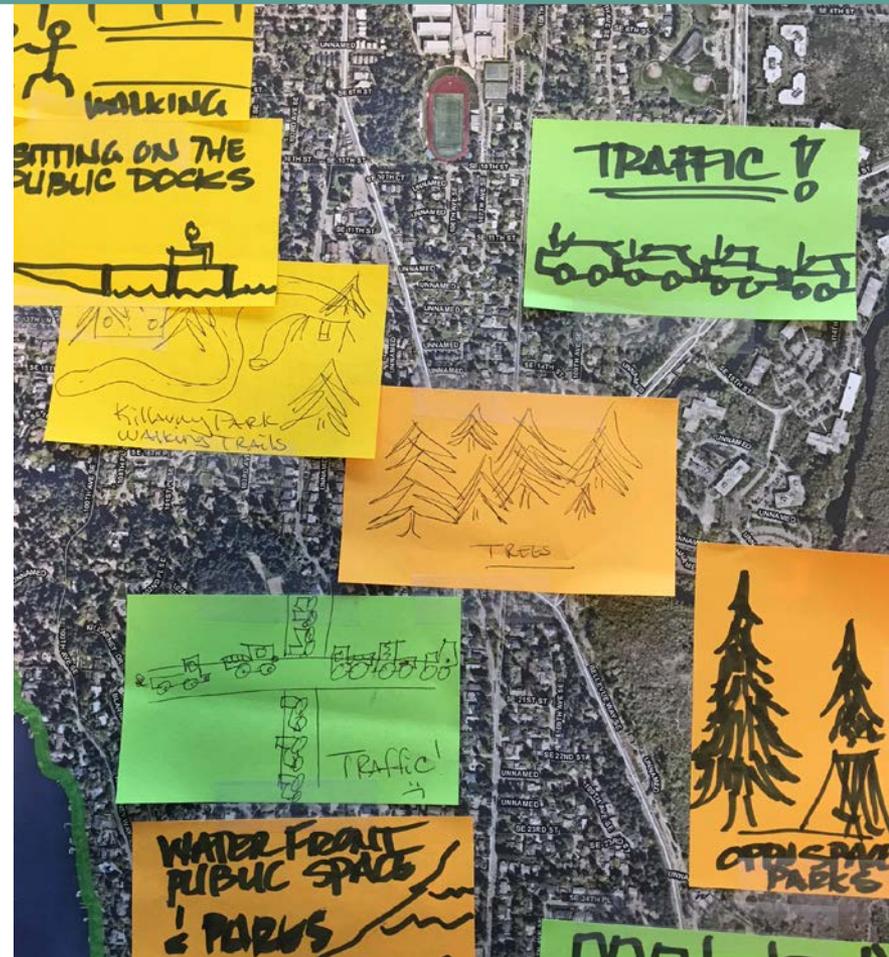

## neighborhood area maps

# Neighborhood Leaders Forum

## public engagement

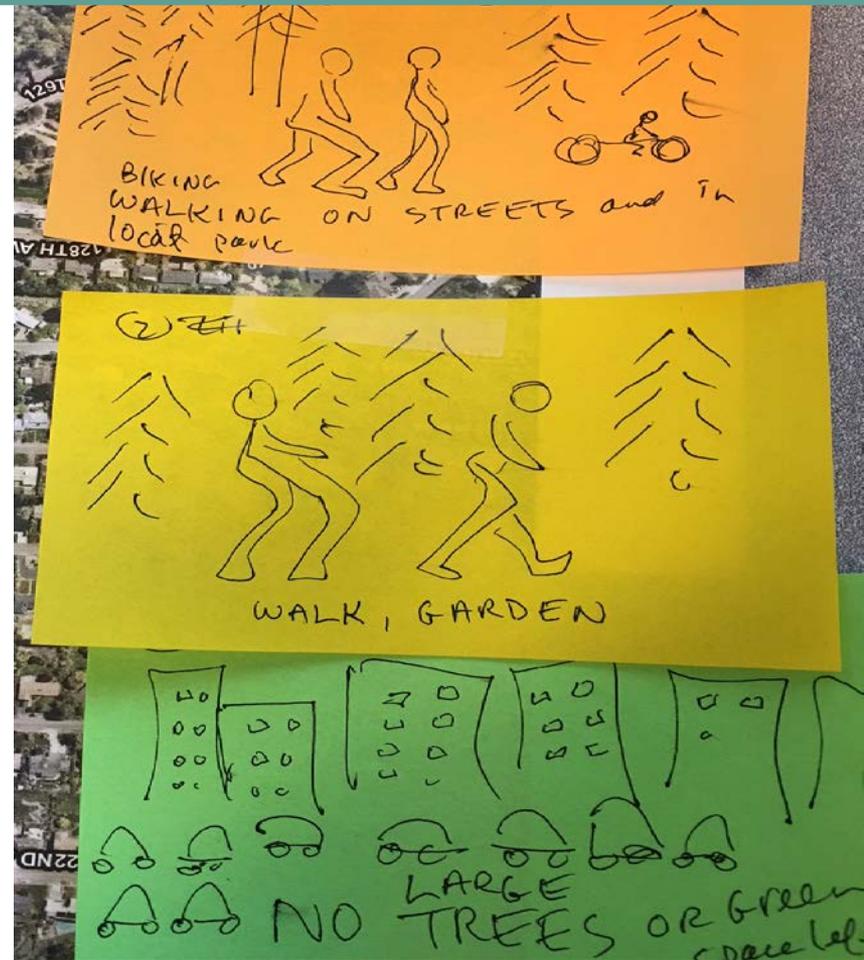

- Engage with youth
- Schools
- Inclusive outreach
- Share stories
- Barriers to participation
- Community events
- Meaningful use of time

# Neighborhood Leaders Forum

## planning process

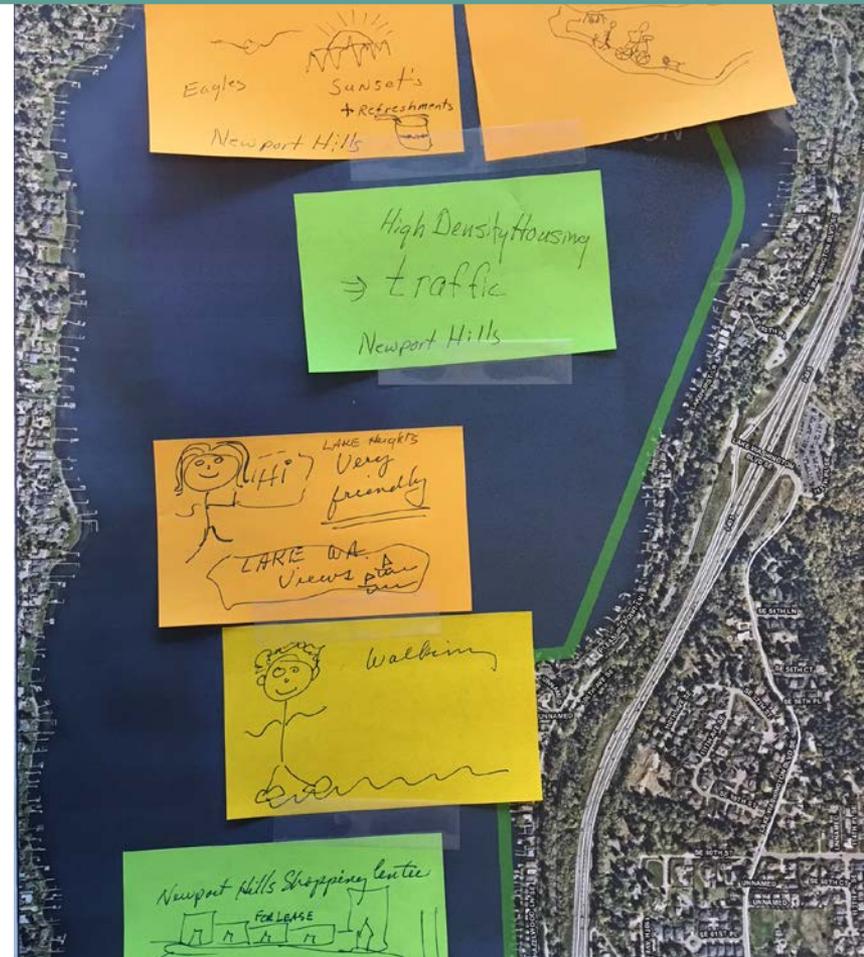

- Kick-off packet
- Build from existing plans
- Shared training

# Neighborhood Leaders Forum

## plan sequence

- Shared boundaries
- Urgent issues
- Don't force solutions that don't fit

# City Council Comments

## public engagement

- Inclusive
- Collect contact information for future notice
- Include local businesses
- Cross neighborhood boundaries
- Skills and training

# City Council Comments

## planning process

- Program schedule
- Potential to consolidate areas
- Flexibility to address common issues
- Council and Commission participation

# Staff recommendation

## next steps

- Continue to move forward with initiation of neighborhood area planning
- Bring forward for Council review options for an approach to neighborhood planning sequencing
