Parks & Community Services

SUBJECT: Human Services Teen After-School Funding recommendations

Background

An estimated \$86,000 per year in funding will be available in 2027 and 2028 for Teen After-School Drop-in Services. Proposals addressed how the agency will provide consistent, free drop-in services for middle and high school aged youth every day of the week, including after school and in the summer to low- and moderate-income Bellevue residents.

The Human Services Commission will review and vote to approve the final recommendations for the 2027-2028 Teen After School funding.
