**Subject:** Disc Golf course in Bellevue?

Hi,

I'm Bruce Ryan, a homeowner in Bellevue, and I was wondering whether you had any plans for a disc golf course in Bellevue.

I've recently become interested in this activity and noticed that we don't have a course in Bellevue, and there's only one on the Eastside (Juel Community Park in NE Redmond).

Disc golf is a fun activity that people of all ages can participate in (I'm 60, but I was introduced to Disc Golf by people 30 years my junior), it gives people additional motivation to get outside, go for a walk, and enjoy our parks. It seems like some of our less congested parks/open spaces might be perfect for a course.

Are there any plans for a Disc Golf course in Bellevue? Has one ever been considered? If not, is there anything I can do to help encourage the Parks Department to consider one?

Thank you for your time and consideration,

Bruce Ryan  
Bellevue, WA
