

20.10.180 Single-Family Residential Estate Districts (R-1, R-1.8).

Single-Family Residential Estate Districts provide for a low density residential environment (1 and 1.8 dwellings per acre) which may serve to protect steep slopes or unstable land from overdevelopment and may include agricultural uses and activities compatible with low residential density.

[Properties in this district with an affordable housing \(AH\) suffix may provide attached residential dwellings when consistent with the requirements of LUC 20.20.128.](#)

20.10.200 Single-Family Residential Districts (R-2.5, R-3.5, R-4, R-5, R-7.5).

Single-Family Residential Districts provide for residential areas of low to moderate densities (2.5, 3.5, 4, 5 and 7.5 dwellings per acre), and permit compatible, related activities.

[Properties in this district with an affordable housing \(AH\) suffix may provide attached residential dwellings when consistent with the requirements of LUC 20.20.128.](#)

For eligible residential development as provided in as provided in subsection D of this section, the following requirements of this Code may be modified through the procedures outlined in subsection C of this section, to the extent necessary to accommodate affordable housing units on site:

- Parking Requirements. The percent of compact parking stalls may be increased up to 75 percent of the total required parking. Tandem parking stalls are permitted to the extent feasible to satisfy required parking ratios.

2. Building Height. Except in transition areas and the Shoreline Overlay District, the maximum building height in R-10, R-15, R-20, and R-30 Land Use Districts [and for properties with an AH suffix](#) may be increased by up to 12 feet for those portions of the building(s) at least 20 feet from any property line.
3. Open Space. The open and recreation space requirement within a residential planned unit development may be reduced to 35 percent of gross land area. All other requirements of LUC 20.30D.160 shall continue to apply.

H. Attached Housing Within Subdivisions.

Affordable housing development as provided in subsection D.1.b2 of this section may be permitted as attached multifamily dwelling units in single-family land use districts when meeting the following criteria:

1. The attached multifamily dwelling units shall be reviewed through a subdivision, Chapter 20.45A LUC, or short subdivision, Chapter 20.45B LUC, process, provided nothing in this subsection shall affect the allowance to build attached multifamily dwelling units through a planned unit development, Part 20.30D LUC;
2. Multifamily dwelling units within a subdivision or short subdivision may be considered as unit lot subdivision, with each lot accommodating attached multifamily dwelling units as a parent lot and individual unit lots created for the attached multifamily dwelling unit, and shall also be reviewed for compliance with LUC 20.45A.065 for subdivisions or LUC 20.45B.057 for short subdivisions;
3. A proposal to create a Unit Lot Subdivision with a Parent Lot and Unit Lots may be reviewed as part of a single proposal for a subdivision or short subdivision;
4. An attached multifamily dwelling unit shall not be placed on or across any parent lot line within the subdivision or short subdivision;
5. The attached multifamily dwelling units may only be duplexes and triplexes;
6. No more than 50 percent of the units within the subdivision or short subdivision shall be attached multifamily dwelling units; and
7. The attached multifamily dwelling structure shall comply with all applicable dimensional requirements.

I. Affordable Housing Suffix.

1. [Purpose. The purpose of the affordable housing suffix is to allow multifamily affordable housing development subject to the requirements of this subsection.](#)

2. Applicability.

- a. This subsection applies to properties meeting the eligibility criteria of subsection D.2 of this section and properties with an affordable housing suffix.
- b. Increased density provided by this subsection is only available to development proposals meeting the requirements of this subsection on property with an affordable housing suffix.

3. Rezone Criteria. Owners of property meeting all eligibility criteria of subsection D.2 of this section may apply for a rezone, under Part 20.30A LUC, to append an affordable housing suffix to the property's existing Land Use District.

- a. Reference Land Use District. The affordable housing suffix shall be determined based on the eligible property's reference Land Use District. The reference Land Use District shall be the highest density Land Use District located within 500 feet of the eligible property.
- b. Suffix Available for Rezone. Chart 20.20.128.I.1 identifies the affordable housing suffixes associated with reference Land Use Districts. The applicant may request up to the highest affordable housing suffix associated with the eligible property's reference Land Use District.

b. Religious Facilities. The Director may administratively consider, approve or disapprove the redevelopment of an existing religious facility subject to the criteria set forth in Part 20.30E LUC for an Administrative Conditional Use, provided the following criteria can be met:

i. The proposed religious facility is part of a proposal that meets all requirements of this section; and

ii. The gross square footage of the new religious facility is less than or equal to the existing gross square footage of the religious facility it will replace.

20.30B.175 Modification or addition to an approved project or decision.

A. There are three ways in which to modify or add to an approved conditional use: process as a new decision, process as a Land Use Exemption, or process as an administrative amendment.
