**EXECUTIVE SUMMARY****INFORMATION  
ONLY**

The public hearing is an opportunity for residents and other stakeholders to provide input on the budget update, including all proposed levies, taxes, fees, and rates to aid the City Council and staff prior to development of the City's 2025-2026 Budget and 2025-2030 Capital Investment Program (CIP) Plan. One additional public hearing is anticipated prior to budget adoption. The full preliminary budget document will be an interactive electronic budget book, including the Executive Summary, and is available at [BellevueWA.gov/Budget](https://BellevueWA.gov/Budget).

**RECOMMENDATION**

Hold the public hearing on the 2025-2026 Budget and 2025-2030 Capital Investment Program (CIP) Plan.

**BACKGROUND/ANALYSIS**

Bellevue's budget is produced every two years and includes a six-year capital budget, which aligns with biennial appropriations. It serves as a major policy document and describes how the City intends to finance its services and infrastructure. A public hearing on the City's budget is required by State law to give the public an opportunity to provide feedback to the Council before a final decision is made. This public hearing marks another step in a process that launched earlier this year at the April 8 Budget Workshop.

Tonight is the second of three public hearings planned for the City's 2025-2026 Budget and 2025-2030 CIP Plan. The purpose of this public hearing is to enable the City Council and City management to hear public comment prior to adoption of the City's 2025-2026 Budget and 2025-2030 CIP Plan. This public hearing is in keeping with Bellevue's long history of overall citizen involvement with the budget process.

Staff notes that the 2025-2026 Preliminary Budget Book includes a 2025-2030 CIP Plan, which aligns with State requirements for an adopted CIP Plan. While the public notice identifies a CIP Plan period of 2025-2034, the transition to our new format and plan initially has restricted our ability to produce this plan beyond 2025-2030. The final public hearing in November will reflect the 2025-2030 CIP Plan.

On April 8, the City Council provided guidance on the update to the Comprehensive Financial Policies. Thereafter, on July 9, Council held the first public hearing on the 2025-2026 Budget for purposes of early community input into budget development. A total of 22 oral and 4 written submissions were

received. Following the hearing, staff briefed Council on the inflationary pressures and fiscal stability of the City. Council provided feedback on the Budget Guiding Principles that assisted the Acting City Manager in developing her Preliminary Budget. The final Public Hearing on the City's 2025-2026 Budget and 2025-2030 CIP Plan is scheduled for November 12.

The first public hearing was advertised in the Seattle Times on June 25 and July 2. The second public hearing was advertised in the Seattle Times on September 10 and September 17.
