WHEREAS, Chapter 36.70A.010 RCW documents state Legislative findings that uncoordinated and unplanned growth, together with a lack of common goals expressing the public's interest in the conservation and the wise use of our lands, pose a threat to the environment, sustainable economic development, and the health, safety, and high quality of life enjoyed by residents of this state; and

WHEREAS it is in the public interest that citizens, communities, local governments, and the private sector cooperate and coordinate with one another in comprehensive land use planning; and

WHEREAS, Chapter 3.64.070 Bellevue City Code establishes the powers and duties of the Planning Commission to act in an advisory capacity to the City Council by holding public hearings and conducting studies, perform analyses, and prepare reports requested by the City Council, and shall review, advise and make recommendations to the City Council on the comprehensive plan and other planning documents of the city to determine if the city's plans, goals, policies and land use ordinances and regulations implement the state Growth Management Act and promote orderly and coordinated development within the city; and

Bellevue Planning Commission

WHEREAS, the Planning Commission has conducted Final Review according to LUC 20.30I for the **Affordable Housing Strategy 22-105258 AC** proposed comprehensive plan amendment, providing for a public participation process, and holding information and review study sessions; and

WHEREAS the Planning Commission finds that the proposed amendment is consistent with all the Final Review Decision Criteria in LUC 20.30I.150.B.1-5:

20.30I.150 Final Review Decision Criteria

NOW THEREFORE the Planning Commission recommends to the City Council that it adopt the Affordable Housing Strategy Action C-1 Phase 2 (22-105258 AC) amendment to the Comprehensive Plan.
