SUBJECT: Funding Cycle Training for Commissioners & Community Members

The Human Services Commission, in collaboration with five residents of Bellevue, will learn about the work of the Human services team and the funding cycle process. This training is in preparation for the June 8 special meeting when the group will review applications and give input for funding.

Background

In alignment with our Strategic Plan, Human Services will include community members in reviewing applications with the Human Services Commission. In preparation for that work, the commission in conjunction with five representatives from YouthLink Board, Bellevue Diversity Advantage Network, and Centering Communities of Color will learn about the work of Human Services Division and the processes and procedures of the 2025-2026 Funding Cycle.
