- Turn-by-turn navigation for assigned routes
- Serviced arterials change color as they are completed
- Photos of road conditions can be pushed to dispatch staff

# Great Feedback!

City of Bellevue

Public Information Officer Laura Milstead · 2 Feb

❄️ Crews will continue working 24-hour shifts to de-ice the roads. Below freezing temps. expected tonight meaning potentially icy roads and light snow showers during the Monday commute.

Please take it slow and increase your distance between vehicles as you head out in the a.m.
