

DATE: July 6, 2023

TO: Environmental Services Commission

FROM: Lucy Liu, Interim Director, Bellevue Utilities
Joe Harbour, Acting Deputy Director, Bellevue Utilities
Linda De Boldt, Assistant Director - Engineering Division, Bellevue Utilities

SUBJECT: Bellevue Utilities Overview for New ESC Commissioners

Action Required

No action by the Environmental Services Commission is required. This is an informational briefing.

Background

The Environmental Services Commission (ESC) has three new Commissioners that will be attending their first meeting with the ESC on July 6, 2023. Bellevue Utilities welcomes:

- Gabby Lacson
- Kurt Lutterman
- Michael Margolis

At this meeting, Bellevue Utilities will provide an informational briefing and answer questions regarding the following topics:

- Overview of ESC's roles and responsibilities
- Information about Bellevue Utilities' mission, services, infrastructure assets, and finances
- Upcoming topics for ESC meetings in 2023

Policy Issues/Fiscal Impact

This briefing will not include any policy issues or fiscal impacts.
