**GOAL**

To continue developing a sustainable urban development pattern that dramatically reshapes the future of the BelRed Subarea, while allowing the area to transition gracefully from its past.

**OVERVIEW**

Connected via light rail to Downtown Bellevue in the southwest and to Redmond's Overlake Village and the Microsoft Campus in the northeast, BelRed is a geographically expansive area with diverse natural and built environments covering over 860 acres. The area has undergone several transformations in its past, and it is currently undergoing its most recent transformation from a light industrial area with large lots and acres of surface parking into a Countywide Growth Center with a collection of vibrant, diverse, and walkable neighborhood districts oriented around light rail.
