

### **20.30I.140 Threshold Review Decision Criteria**

The Planning Commission may recommend inclusion of a proposed amendment to the Comprehensive Plan in the Annual Comprehensive Plan Amendment Work Program if the following criteria have been met:

- A. The proposed amendment presents a matter appropriately addressed through the Comprehensive Plan; and
- B. The proposed amendment is in compliance with the three-year limitation rules set forth in LUC 20.30I.130.A.2.d; and
- C. The proposed amendment does not raise policy or land use issues that are more appropriately addressed by an ongoing work program approved by the City Council; and
- D. The proposed amendment can be reasonably reviewed within the resources and time frame of the Annual Comprehensive Plan Amendment Work Program; and
- E. The proposed amendment addresses significantly changed conditions since the last time the pertinent Comprehensive Plan map or text was amended. Significantly changed conditions are defined as:

**LUC 20.50.046 Significantly changed conditions.** Demonstrating evidence of change such as unanticipated consequences of an adopted policy, or changed conditions on the subject property or its surrounding area, or changes related to the pertinent Plan map or text; where such change has implications of a magnitude that need to be addressed for the Comprehensive Plan to function as an integrated whole. This definition applies only to Part 20.30I Amendment and Review of the Comprehensive Plan (LUC 20.50.046); and

- F. When expansion of the geographic scope of an amendment proposal is being considered, shared characteristics with nearby, similarly-situated property have been identified and the expansion is the minimum necessary to include properties with those shared characteristics; and
- G. The proposed amendment is consistent with current general policies in the Comprehensive Plan for site-specific amendment proposals. The proposed amendment must also be consistent with policy implementation in the Countywide Planning Policies, the Growth Management Act, other state or federal law, and the Washington Administrative Code; or
- H. State law requires, or a decision of a court or administrative agency has directed such a change.

#### **(ii) Consideration of Geographic Scope**

Prior to the public hearing, the Planning Commission shall review the geographic scope of any proposed amendments. Expansion of the geographic scope may be recommended if nearby, similarly-situated property shares the characteristics of the proposed amendment's site. Expansion shall be the minimum necessary to include properties with shared characteristics.
