Donna Adair, Human Services Planner

SUBJECT: 2025-2029 Draft Consolidated Plan Overview

The Human Services Commission will be adopting the 2025-2029 Consolidated Plan at the October 21, 2024 meeting. Human Services Planner Donna Adair will provide a brief presentation at the September 9, 2024 meeting with an overview of the draft Consolidated Plan.

Background

The primary objective of the Federal Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) is to support the development of viable urban communities by providing decent housing, a suitable living environment via community facilities and public infrastructure, and expanded economic opportunities, principally for persons of low and moderate income. Every 5 years the City develops its Consolidated Plan.

The Consolidated Plan is a report which informs the community, stakeholders and U. S. Department of Housing and Urban Development (HUD) how the city of Bellevue will invest its CDBG funds from 2025-2029. The plan identifies the objectives and strategies that will guide the city's investments. There will be a 30-day public comment period and following the comment period, a Public Hearing will be held on October 21st to receive comments on the Consolidated Plan. The Human Services Commission will be asked to adopt the Plan after the Public Hearing on October 21st.
