Description and Scope

This project funds the completion of design and construction of a 600' southbound right turn pocket at the intersection of 150th Avenue SE and SE Newport Way, with sidewalk the length of the pocket to serve the six properties on the west side of 150th Avenue SE.

Rationale

This project was identified as a high priority neighborhood congestion reduction project needed to alleviate the ongoing congestion that occurs during peak traffic hours in the Eastgate area. Initial design funding is provided by the Neighborhood Safety, Connectivity and Congestion Levy.

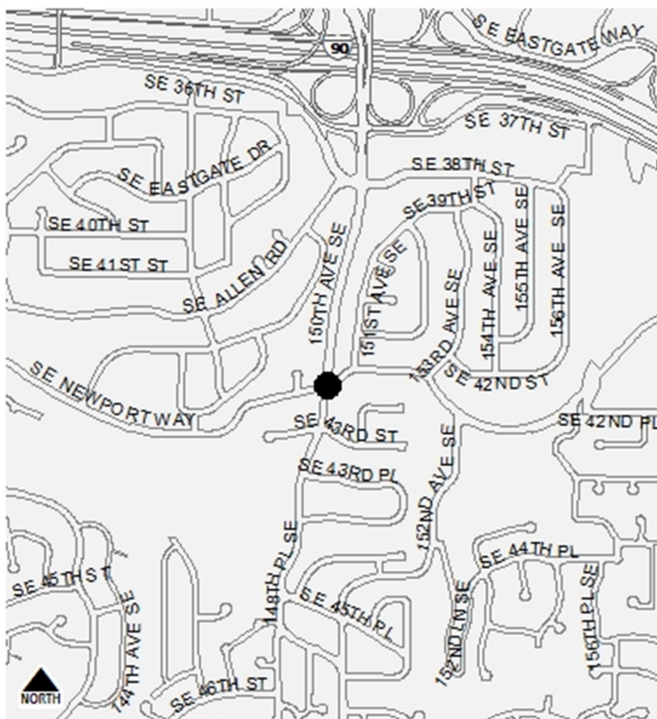

Environmental Impacts

A SEPA determination of non-significance was issued for this project.

Operating Budget Impacts

Operating costs will increase due to the maintenance of the roadway. An estimated \$20,000 will be required to funds these costs adjusted for inflation annually.
