

## CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE imposing an interim official control regarding the permit process required to establish a homeless shelter and identifying the Land Use Districts where a homeless shelter may be permitted; providing for severability; and establishing an effective date.

WHEREAS, the City Council Vision Priorities direct the City to work with regional partners to “establish an Eastside permanent winter homeless shelter to be ready for the winter of 2018/19;” and

WHEREAS, this priority is reinforced and expanded in the Council’s adopted 2014 Diversity Advantage Plan, which includes an action item “supporting the establishment of a year-round homeless shelter on the Eastside”; and

WHEREAS, the City has undertaken a comprehensive approach toward homelessness that requires a high level of coordination between services, facilities, policies and enforcement; and

WHEREAS, there are several on-going land use code amendment projects including the Eastgate/I-90 Corridor Plan and Downtown Livability, where the topic of homeless shelter permitting has been raised and discussed by the Planning Commission; and

WHEREAS, the Council has an interest in pursuing a holistic approach to the permitting of homeless shelters citywide to avoid an ad hoc regulatory approach to the permitting of this use; and

WHEREAS, in order to respond to this emerging policy issue, the City Council has expressed a desire to provide consistency in the land use code related to permitting homeless shelters in all districts where Hotel/Motel and Transient Lodging Uses are currently allowed subject to the Conditional Use provisions specified in Part 20.30B and to general requirements for the land use district in the near-term pursuant to an Interim Official Control; and

WHEREAS, while the Interim Official Controls are in place, the City Council is interested in developing permanent regulations that will support its vision to establish a homeless shelter in Bellevue; and

WHEREAS, the Environmental Coordinator for the City of Bellevue has determined that this text amendment to the Land Use Code would be Categorically Exempt from the

Threshold Determination requirements of the State Environmental Policy Act pursuant to the terms of WAC 197-11-800(19); and

WHEREAS, the City Council adopts the foregoing as its findings of fact justifying adoption of this Ordinance; now, therefore

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN AS FOLLOWS:

- (b) Visual and physical access to the required neighborhood serving uses is limited by topography or other site specific obstacles; and,
- (c) The required neighborhood serving uses would not be visible from other development located in the NMU district, adjacent neighborhoods, nearby arterials or highways.

A departure may be allowed for all sides of the building or some portion thereof, provided that the approved departure is consistent with the NMU land use district definition included in the Comprehensive Plan and LUC 20.10.350.
