At Porchlight: Come As You Are

- Before Porchlight: Living in a van with more and more issues every day
- After Porchlight: living in a senior housing program next door to his medical provider.

Plymouth Crossing

- 92 apartments for formerly homeless adults
- Participation rate in on-site programming: 90% of residents
- More than half of units filled via local referrals

At Plymouth: Hopelessness to Home

- In 2022: Living in his vehicle on SE 41st next to Factoria.
“My problem is I’ve had a disability my whole life [...] I’ve basically been in last place my whole life [...] I’m approaching 60. The odds for me are basically 0.”
- In 2025: Housed and thriving at Plymouth Crossing

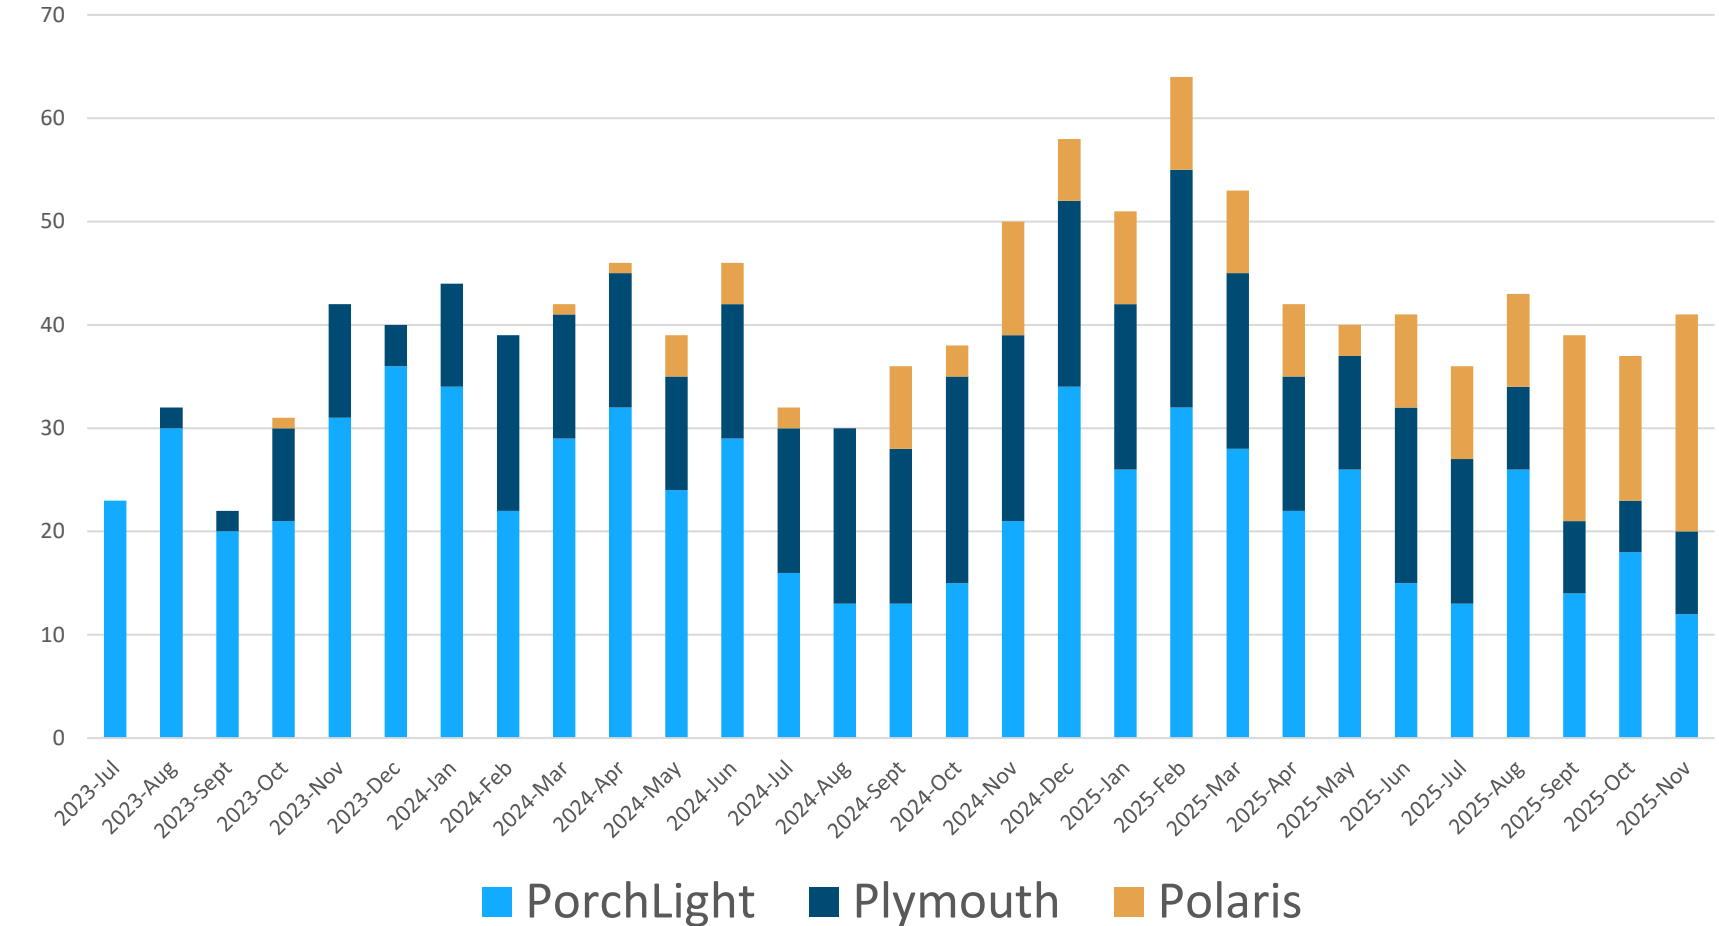

At Plymouth: A Home Cooked Meal

- In 2023: living in her van, driving from one park parking lot to another, estranged from her family, trying to find community and a place to call her own
- In 2025: Preparing home-cooked meals for her daughter

Recommendations

- Continue monitoring data; post report on website twice a year
- Continue coordination with PorchLight and Plymouth Crossing staff
- Continue participation in PorchLight Community Advisory Group and Working Group meetings
- For future PSH buildings: require safety and public communications plans as part of city capital funding agreements
