

I-405 Renton to Bellevue Widening and Express Toll Lanes Project

Travelers on Interstate 405 between Renton and Bellevue experience one of the state's worst commutes. The I-405 Renton to Bellevue Widening and Express Toll Lanes project will add highway capacity and offer more reliable travel choices to keep drivers, transit riders and freight moving.

Project Highlights

- Adds **new capacity** to create a **dual express toll lane system** between State Route 167 in Renton and Northeast 6th Street in Bellevue. This project will complete a continuous 40-mile express toll lane system extending from I-405 in Lynnwood to SR 167 at the Pierce County line.
- Builds a **new auxiliary lane** southbound from I-90 to 112th Avenue Southeast.
- Builds **four new noise walls** to reduce highway sound for neighbors.
- Improves **four interchanges**: Northeast Park Drive and Northeast 44th Street in Renton, and 112th Avenue Southeast and Coal Creek Parkway in Bellevue.
- Replaces 10 fish barriers with **restored stream connections**.
- Builds portions of the **Eastside Rail Corridor regional trail**, including a new crossing over I-405 at the site of the former Wilburton rail bridge.*
- Builds **new direct access ramps** at 112th Avenue Southeast in Bellevue and Northeast 44th Street in Renton.**

*Partnership with King County

**Partnership with Sound Transit
