Transportation Benefit District Creation Timeline

June 12, 2023

COMPLETED: The Transportation Benefit District process kicked-off with a study session at council to discuss the need for the district. Council recommended staff move forward with the next steps to form the district.

July 10, 2023

COMPLETED: A public hearing is required by state law to gather input from the community on the formation of the district.

July 17, 2023

CURRENT: A new Bellevue City Code chapter has been drafted for the formation of the Transportation Benefit District. This date has tentatively been identified for council to adopt the ordinance for this new code.

Outreach

September 11, 2023

A second public hearing will be held during a regular City Council meeting for the assumption of the district.

Fall 2023

In the fall, staff will present a final recommendation on the funding of the district including the associated draft ordinance.

July 24, 2023

assumption Following formation of the district, Council must approve a resolution to hold a second public hearing to discuss the "assumption" of the district to allow district business to occur during regular council meetings.

September 18, 2023

This date has tentatively been identified for the Council to adopt an ordinance that updates the Transportation Benefit District code to include assumption of the district.

Funding authorization

Fall 2023

The final step will be for council to adopt the ordinance that defines the recommended funding approach for the district.
