SUBJECT: Proposed 2026 Community Development Block Grant (CDBG) Allocations

The Human Services Commission will determine its draft preliminary allocation recommendations of 2026 Community Development Block Grant (CDBG) funds for the City Council's consideration following a staff presentation.

## Background

The primary objective of the Federal Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) is to support the development of viable urban communities by providing decent housing, a suitable living environment via community facilities and public infrastructure, and expanded economic opportunities, principally for persons of low and moderate income. Funds are distributed nationwide on a formula basis.

The projected 2026 CDBG funding available is made up of the estimated 2026 entitlement from HUD and the estimated 2026 program income. Repaid deferred housing repair loans are the source of the program income.
