SUBJECT: Resolution for Congressional Gold Medal to Chinese Veterans of WWII

Fellow Councilmembers,

I am asking for your support for a City of Bellevue Resolution calling on Congress for a timely passage of bills during its current session to collectively award the Congressional Gold Medal to Chinese Veterans of WWII.

I have spoken to Representative DelBene who will sign on to the bill. I also plan to ask our other members of the Congressional Delegation along with other cities to do the same.

Proposed motion:

⇒ *Move to adopt Resolution No. 9445 supporting HR 2358 / S 1050 – The Chinese American World War II Veterans Congressional Gold Medal Act.*
