Topics for Council Consideration

Topics for Council Consideration

- **Framework:**
 - Regulatory framework
 - Signatories and the Neighborhood Focus Group
 - Implementation experience
- **Four Recommended Topics:**
 1. Alignment of health standards to the consent decree
 2. Neighborhood engagement
 3. Location frequency and duration
 4. Permit process

Alignment of Health and Safety Standards to the Consent Decree

Experience:

- 13+ years of operating in this manner
- Success in preventing disease and protecting public health
- Better reflect practical realities that exist on temporary encampment sites (e.g. showers available, water supply)

Staff Recommendation: Amend health and safety standards to reflect operations under Consent Decree

Neighborhood Engagement

Trash Patrol

- LUC mandates that a trash patrol occur within the surrounding neighborhood every day.
 - TC4 implementation
- **Experience/Rationale**
 - General themes from public meetings:
 - Purpose of requirement
 - Non-residents patrolling neighborhoods
 - Loitering within the neighborhood
 - Overall discomfort with requirement
 - Daycares/schools comments
 - No patrols during parent drop off/pick up times
- **Staff recommendation:** Remove requirement from the LUC

Neighborhood Engagement Continued

Optional Post-Issuance Meetings

- Public meeting required prior to permit issuance
- No current requirement for a post-issuance meeting
- **Experience/Rationale:**
 - Maintain channels of communication post permit issuance
 - Neighborhood focus group comments:
 - Continue dialogue between the encampment host/operator and neighbors
 - A forum to identify operational failures as they happen in real time
 - Establish a point of contact
- **Staff Recommendation:** Establish Optional Post-Issuance Meeting Between encampment host and neighborhood

Questions/Discussion?

1. Initial Draft LUCA
