

# City of Bellevue | Proclamation

**Whereas:** Lesbian, gay, bisexual, transgender, queer or questioning and non-binary (LGBTQIA+) communities of Bellevue are an integral part of the vibrancy of our city and continue to have an immeasurable impact on the academic, economic, artistic, cultural, civic and social spheres within and around our community; and

**Whereas:** The month of June is designated Pride Month to commemorate the Stonewall Riots, which occurred in June 1969 and are generally recognized as the catalyst of the LGBTQIA+ rights movement; and

**Whereas:** Celebrating Pride Month provides visibility, support and advocacy for the LGBTQIA+ community, and is an opportunity to recognize that further progress and action are needed to build acceptance and advance equity for all; and

**Whereas:** LGBTQIA+ rights are human rights, and the City of Bellevue believes in upholding the dignity of individuals, supporting legal equality for all people, and ensuring acts of discrimination and hatred are not tolerated; and

**Whereas:** People from Black, Indigenous and People of Color communities who also identify as LGBTQIA+ are disproportionately impacted by high rates of violence, mental health struggles, isolation and homelessness, with one in three transgender adults experiencing homelessness in their lifetime; and

**Whereas:** In solidarity with the LGBTQIA+ community, the City of Bellevue installed a Pride-themed artwork in a downtown intersection, will be flying Pride flags at many city-owned facilities during the month of June, partners on Pride events in the community and works with community partners to place Pride banners in downtown corridors.

**Now, therefore, I,** Lynne Robinson, Mayor of the City of Bellevue, Washington, and on behalf of its City Council, do hereby proclaim the month of **June 2024** as:

## Pride Month

in Bellevue and reaffirm our commitment to standing in solidarity with LGBTQIA+ residents against ongoing discrimination and injustice as we celebrate the meaningful, long-lasting impacts of this community on Bellevue's rich and diverse history and culture.
