

Hello Manette,

I wanted to take another opportunity to THANK YOU and the City of Bellevue Arts Commission for our Sustained Support Grant. Studio East continues to seek out new opportunities to bring the joy of the performing arts to young people across the greater Eastside. Your support for our work to bring our programming to Bellevue Schools & Community parks, as well as welcoming Bellevue students & families →

to our mainstage is so appreciated.
We look forward to all that the year
will bring!

Thank you,

Becky Hinchman
