

MEMORANDUM

Bellevue Parks &
Community Services

DATE: April 17, 2024

TO: Parks & Community Services Board

FROM: Pamela Fehrman, Planning Manager
Parks & Community Services
Scott VanderHyden, Project Manager
Parks & Community Services

SUBJECT: Off-leash Area Pop-up Program Update & Recommendations
For discussion – no Board action required

At the April Parks & Community Services Board meeting, we will share an overview of the 2023-2024 Pop-Up Dog Off-Leash Pilot Program (report attached). We will share current off-leash area status, an overview of the program, community feedback, recommendations for conversion of off-leash facilities to permanency and site improvements for the four pop-up off-leash sites. Feedback is welcomed from the Board, including any general thoughts for dog off-leash recommendations. The modifications and improvements to the current off-leash areas are slated to begin this summer.
