SUBJECT: Public Hearing on the 2023 Community Development Block Grant Draft Annual Action Plan and 2023 Preliminary Funding Recommendations.

The Commission will hold a public hearing on the 2023 Community Development Block Grant (CDBG) Draft Annual Action Plan and 2023 funding recommendations.

Background

The Annual Action Plan outlines the City's use of CDBG funds and identifies the objectives and strategies that will guide the City's investments. The Human Services division prepares the Draft Annual Action Plan based on the Commission's 2023 funding recommendations and the goals identified in the [five-year Consolidated Plan](#). The [Draft Annual Action Plan](#) is posted on the City website and made available for written public comment for 30 days as required by the Department of Housing and Urban Development (HUD). The final version of the Annual Action Plan is completed after HUD determines and releases funding allocations for 2023.

In addition to the 30-day written comment period, each year the city is required by HUD to hold a public hearing as part of the Citizen Participation Plan on funding recommendations for the Community Development Block Grant (CDBG). Bellevue residents and human services providers will have an opportunity to comment to the Human Services Commission in person or virtually to provide feedback on the 2023 Draft Annual Action Plan and funding recommendations.
