Evergreen City Ballet (ECB) was established in 1994, providing high-quality dance education, professional-level performances, and a nurturing place for students, families, and community members to flourish. Beginning from the leadership of Founding Artistic Director Wade Walthall (1994-2008), ECB continues to shape young dancers into successful professionals in the field of dance and beyond and cultivates a culture of excellence within the communities it serves.

Located in Renton, ECB's mission is to provide high-quality dance education and performance opportunities to students of all ages and to enrich the diverse communities in the Puget Sound region through performances, outreach, and community engagement initiatives.

For the last 4 years ECB has collaborated with the Newport High School orchestra (conductor Barney Blough) in performances of Hansel & Gretel and Coppelia, including a free show for over 650 Bellevue School District students each year.
