Cultural Humility

Cultural humility involves an ongoing process of self-exploration and self-critique combined with a willingness to learn from others. It means entering a relationship with another person with the intention of honoring their beliefs, customs, and values. It means acknowledging differences and accepting that person for who they are

Question to Ponder...

How does cultural humility inform your approach in reviewing and prioritizing applications that promote a sense of positive cultural identity and/or offer culturally sensitive services to marginalized communities that have been disproportionately impacted by systemic racism and discrimination?
