## EXECUTIVE SUMMARY

This Resolution authorizes execution of a two-year General Services Contract for landscape maintenance services with Canber Corporation at the Bellevue Service Center (BSC) managed by the Parks Resource Management Division.

## RECOMMENDATION

Move to adopt Resolution No. 10190

## BACKGROUND/ANALYSIS

Parks utilizes landscape contractors to perform maintenance services at parks, arterial streetscapes, and facilities throughout the City of Bellevue. All proposals were solicited through a competitive request for proposals (RFP) process that was open, fair, and transparent. Contracts were awarded to the lowest cost proposal that met all specifications and evaluation criteria set forth in the RFP to ensure the most cost-effective rate of return. This contract will be for landscape maintenance services at the BSC facility.

Landscape maintenance contracts include mowing, shrub pruning, weed control, hard surface cleaning, leaf removal, and garbage disposal. Sites are inspected regularly by contract administration staff to ensure that the maintenance standards are consistent at all sites. As part of the maintenance contract, site inspection reports are submitted by the landscape contractor and reviewed by staff to verify completion of the work and assure standards for quality are met.
