City of Bellevue

Agenda

1. Background
2. Progress toward work plan
3. Next steps

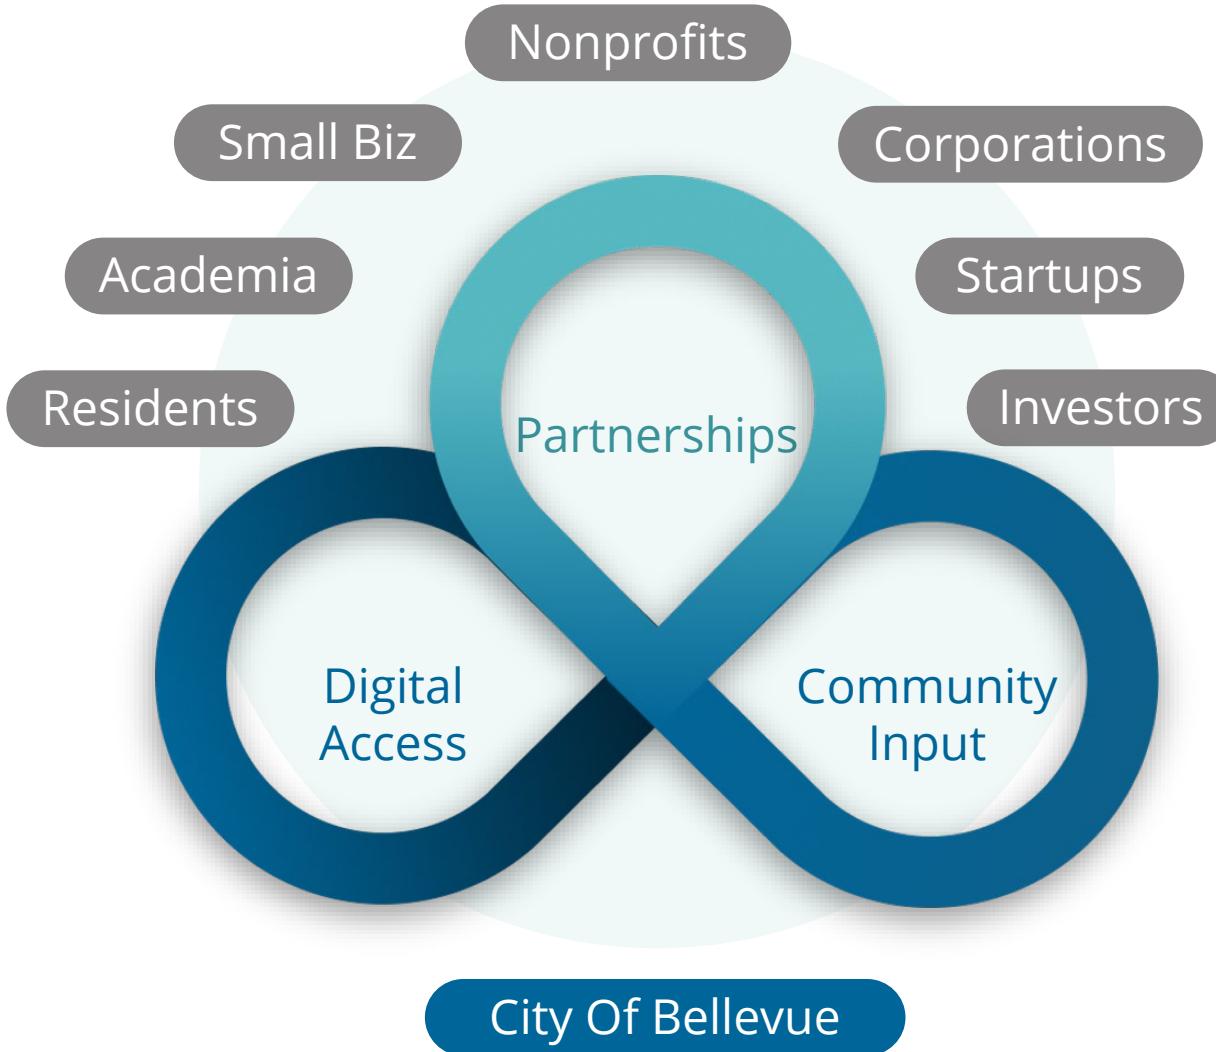

Background: Council Vision

Innovation is an integral part of our community. We embrace and support innovation in all aspects of our community – systems, institutions, businesses, schools and government. This innovative spirit is crucial to Bellevue's success.

Grounded in Partnerships

Civic Innovation Exchange

273 attendees at the Civic Innovation Exchange

48 speakers and panelists, 13 education sessions, 14 governments represented, 5 educational institutions, and 76 businesses and non-profits.

Growing Innovation Partnerships

Public
Sector

- Fosters sustainable innovation across the region
- Allows shared learning and growth
- Enhances funding opportunities

Private
Sector

- Positions region as a place where innovation thrives
- Brings together public, private, non-profit, community perspectives
- Supports equity

City of Bellevue

Next Steps

Digital Equity: Device distribution pilot.
Federal grant deployment.

Second Civic Innovation Challenge:
Increase design partnerships to test
innovative ideas.

Civic Innovation Exchange: June 2026
Bring together community, public
sector, and businesses to test, learn,
and support regional innovation.

Partnerships: Continue growing public
and private partnerships.
