ENGROSSED SUBSTITUTE SENATE BILL 5184

AS AMENDED BY THE HOUSE

Passed Legislature - 2025 Regular Session

State of Washington

69th Legislature

2025 Regular Session

By Senate Housing (originally sponsored by Senators Bateman, Trudeau, Frame, Krishnadasan, Lias, Nobles, Pedersen, Salomon, Shewmake, and Stanford)

READ FIRST TIME 02/07/25.

1 AN ACT Relating to minimum parking requirements; adding a new
2 section to chapter 35.21 RCW; adding a new section to chapter 35A.21
3 RCW; adding a new section to chapter 36.01 RCW; adding a new section
4 to chapter 19.27 RCW; creating new sections; and repealing RCW
5 36.70A.620.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature finds that predetermined
8 on-site parking requirements needlessly drive up the cost of
9 development, particularly housing; discourage walking and multimodal
10 transit usage; and encourage excessive reliance of automobiles with
11 attendant impacts on human health and greenhouse gas emissions. The
12 legislature further finds that the amount of parking that a project
13 actually needs should be determined on a case-by-case basis by permit
14 applicants sensitive to actual market conditions rather than a one-
15 size-fits-all regulation.

16 NEW SECTION. **Sec. 2.** A new section is added to chapter 35.21
17 RCW to read as follows:

18 (1) A city may not require more than 0.5 parking space per
19 multifamily dwelling unit or more than one parking space per single-
20 family home.

1 (2) A city may not require more than two parking spaces per 1,000
2 square feet of commercial space.

3 (3) A city may not require any minimum parking requirements for:

4 (a) Residences under 1,200 square feet;

5 (b) Commercial spaces under 3,000 square feet;

6 (c) Affordable housing;

7 (d) Senior housing;

8 (e) Child care centers as defined in RCW 43.216.010 that are
9 licensed or certified by the department of children, youth, and
10 families;

11 (f) Ground level nonresidential spaces in mixed-use buildings;
12 and

13 (g) A building undergoing a change of use from a nonresidential
14 to a residential use or a change of use for a commercial use.

15 (4) For purposes of this section:

16 (a) "Affordable housing" has the same meaning as in RCW
17 36.70A.030.

18 (b) "Commercial use" means use for nonresidential business
19 purposes, including retail, office, wholesale, general merchandise,
20 and food services.

21 (5) This section does not apply to requirements for parking
22 spaces permanently marked for the exclusive use of individuals with
23 disabilities in compliance with the Americans with disabilities act.

24 (6) The provisions of this section do not apply:

25 (a) To cities with a population of 30,000 or less, as determined
26 by the population estimate of the office of financial management
27 under RCW 43.62.030;

28 (b) If a city submits to the department of commerce an empirical
29 study prepared by a credentialed transportation or land use planning
30 expert that clearly demonstrates, and the department finds and
31 certifies, that the application of the parking limitations of this
32 section will be significantly less safe for vehicle drivers or
33 passengers, pedestrians, or bicyclists than the city's current
34 parking requirements; or

35 (c) To portions of cities within a one-mile radius of a
36 commercial airport in Washington with at least 9,000,000 annual
37 enplanements.

38 (7) Cities may require parking in excess of the limitations in
39 this section for religious organizations and parking requirements for
40 carpools.

1 (8) Cities are not prohibited from requiring temporary or time-
2 restricted parking. Cities are encouraged to consider the adequacy of
3 drop-off space, waiting space, and accessibility in the design review
4 process when considering the limitations on parking requirements.

5 (9) Cities that have adopted substantially similar policies to
6 the requirements established in this section may apply to the
7 department of commerce for a determination of compliance with the
8 requirements of this section. In determining what is substantially
9 similar, the department of commerce shall consider whether:

10 (a) The city's parking requirements as of July 2025 have the same
11 or lower parking minimums than the requirements of this section;

12 (b) The city's parking requirements are equal to the average
13 number of parking stalls required per residential unit and the
14 average number of parking stalls required per 1,000 square feet of
15 commercial space; and

16 (c) The city's parking requirements for affordable housing,
17 senior housing, housing for people with disabilities, and child care
18 facilities are equivalent to the requirements of this section.

19 (10) Cities may submit a request for a variance from the
20 requirements of this section to the department of commerce if
21 compliance with the requirements of this section would be hazardous
22 to the life, health, and safety of residents as confirmed by a
23 building official or fire marshal, or their designees. A request for
24 a variance may include requests to require additional parking spaces
25 permanently marked for the exclusive use of individuals with
26 disabilities beyond those required for compliance with the Americans
27 with disabilities act based on the planned or likely population,
28 location, or safety of a building, using objective standards.

29 (11) Cities with a population between 30,000 and 50,000 shall
30 implement the requirements of this section within three years of the
31 effective date of this act. Cities with a population of 50,000 or
32 greater shall implement the requirements of this act within 18 months
33 of the effective date of this act.

31 with disabilities act based on the planned or likely population,
32 location, or safety of a building, using objective standards.
