

MEMORANDUM

DATE: July 10, 2025

TO: Environmental Services Commission

FROM: Linda De Boldt, Assistant Director - Engineering Division
Birol Shaha, CIP Portfolio Manager – Engineering Division
James Nicolls, Project Management Section Manager – Engineering Division

SUBJECT: Environmental Services Commission Capital Investment Program (CIP) Tour

Action Required

No action by the Commission is required. This is an informational field tour.

Background

On July 10, 2025, the Commission will meet at City Hall and travel by van to visit two sites that will highlight the Utilities Department's capital project delivery for selected projects. In addition, there will be a brief oral presentation providing updates to another project that the Commission toured in 2024. The following projects will be included on the tour:

- Meydenbauer South Reservoir Project (oral briefing only)
- Bogline Sanitary Sewer Rehabilitation Project
- Horizon View 2 Reservoir and Pump Station Project

This tour and briefing will provide the Environmental Services Commission and other meeting attendees with information about the Utilities Department's capital improvement project work in our water and sewer utilities.

Transportation will not be provided for the public. However, maps will be available for those that would like to follow the tour. The Commission will depart City Hall at approximately 6:00 p.m.
