SUBJECT: Public Hearing on Ordinance No. 6585 imposing an Interim Official Control (IOC) to amend sections 20.10.440, 20.25A.050, 20.25D.070, 20.25F.010, 20.25L.020, and 20.25P.050 of the Land Use Code (LUC) to allow permanent supportive housing and transitional housing in all land use districts where residential dwellings and/or hotels and motels are allowed, and to allow Homeless Services Uses in all land use districts where hotels and motels are allowed; amending the definition of Homeless Services Uses in LUC 20.20.455 for conformance and consistency with state law; providing for severability; and establishing an effective date.

On July 12, the City Council adopted an Ordinance No. 6585 (Attachment A). On August 2, the City Council will hold a public hearing on this IOC Ordinance and seek public comment.

I. BACKGROUND

The IOC is in direct response to the Washington State Legislature's enactment of House Bill (HB) 1220, which was signed into law in May and will become effective on July 25. The new state legislation mandates that all cities allow the following:

- Permanent Supportive Housing and Transitional Housing in all land use districts where residential dwellings and hotel or motel uses are allowed; and
- Emergency Housing and Emergency Shelter in all land use districts where hotel and motel uses are allowed.

Prior to the adoption of the IOC, the LUC did not regulate the above-listed uses consistently with state law as amended under HB 1220. The IOC was necessary to timely bring the LUC into conformance with state law.

The IOC amended the following land use tables to include language on the types of housing discussed in HB 1220:

- LUC 20.10.440 Land use charts;

- LUC 20.25A.050 Downtown Land Use Charts;
- LUC 20.25D.070 Land Use Charts (BelRed);
- LUC 20.25F.010 Permitted land uses (Evergreen Highlands);
- LUC 20.25L.020 Permitted land uses (OLB-OS); and
- LUC 20.25P.020 Land Use Chart (EG-TOD)

In each of the above land use tables, a footnote was added adjacent to any residential or hotel/motel uses indicating that permanent supportive housing and transitional housing are allowed in districts where residences or hotels/motels are allowed, subject to the applicable land use approvals and dimensional standards of that district. Further, the Neighborhood Mixed Use and Office and Limited Business – Open Space land use districts were each updated to allow Homeless Services Uses as a conditional use, as required due to the allowance of hotel/motel uses in those districts. Finally, the definitions for Homeless Services Uses under LUC 20.20.455(C) were amended to include references to the RCW definitions of emergency housing and emergency shelter, which were codified under HB 1220.

II. REVIEW PROCESS

Notice and a public hearing are not necessary prior to adoption of an IOC, to allow for the regulations to be put in place quickly. However, a public hearing must be held within 60 days of adoption. In addition, the Growth Management Act, RCW 36.70A.390, states that this IOC may be effective for six months, and if necessary, may be renewed for one or more six month periods if a subsequent public hearing is held and findings of fact are made prior to each successive renewal.

The adoption of this IOC brings the City into immediate compliance with state law, as required by HB 1220. The public hearing scheduled for August 2 is necessary for this IOC to remain in place.

III. PUBLIC ENGAGEMENT

Required Public Notice

The notice required for City Council Legislative Actions is governed by the terms of LUC sections 20.35.415 through 20.35.450. Notice of the Public Hearing scheduled for August 2, and availability of this staff report, was published in the Weekly Permit Bulletin on July 15, 2021, and in the Seattle Times on July 19, 2021. Both notices were also provided to members of the EBCC, and others who have subscribed to receive these notices or previously provided written comments on the Interim Official Control.

Department of Commerce Notice

Pursuant to the Washington State Growth Management Act, proposed amendments to the Land Use Code must be sent to the Washington State Department of Commerce. A copy of the required transmittal to the Department of Commerce, including a copy of the proposed amendments, was transmitted on July 13, 2021, and is available for review in the code amendment file.

IV. DECISION CRITERIA

LUC 20.30J.135 establishes the decision criteria for an application to amend the text of the Land Use Code. Those criteria, and the relationship of these proposed amendment to them, are discussed below:

A. The amendment is consistent with the Comprehensive Plan; and

Finding: The City of Bellevue has adopted several policies that support creating new housing opportunities and supporting individuals or families experiencing homelessness:

Comprehensive Plan Policy LU-15: *Provide, through land use regulation, the potential for a broad range of housing choices to meet the changing needs of the community.*

Comprehensive Plan Policy HO-38: *Support regional efforts to prevent homelessness through the provision of a range of affordable housing options, and to support efforts to move homeless persons and families to long-term financial independence.*

Comprehensive Plan Policy HS-18: *Support an intentional local community response to homelessness with housing and supportive services provided to families, youth, and single adults.*

B. The amendment enhances the public health, safety or welfare; and

Finding: The IOC will enhance the public health, safety and welfare by expanding opportunities for supportive housing for persons experiencing homelessness. The uses described in HB 1220 and included in the IOC are each intended to address both the root causes of homelessness, as well as the day-to-day needs of those experiencing it. Permanent supportive housing and transitional housing both provide stable homes, while also supporting the residents' needs in order to keep them in their homes permanently. Emergency housing and emergency shelter, although temporary, provide relief from the elements to persons without stable shelter, as well as a safe, clean space to meet their basic daily needs. In total, the

amendments in this IOC support regional efforts to address homelessness by providing new opportunities for housing and supportive services.

- C. The amendment is not contrary to the best interest of the citizens and property owners of the City of Bellevue.

Finding: The IOC is not contrary to the interests of citizens and property owners as they create consistency between the LUC and state law as amended under HB 1220. By clarifying the LUC and ensuring compatibility with state law, the amendments in the IOC provide certainty to potential permit applicants and property owners who may intend to operate one of the included housing uses. Further, the amendments in the IOC allow for additional opportunities to site new supportive housing and shelter programs that can assist in combating the homelessness crisis in the region.

V. STATE ENVIRONMENTAL POLICY ACT

The Environmental Coordinator for the City of Bellevue has determined that this Interim Official Control amending the text of the Land Use Code is Categorically Exempt from the Threshold Determination requirements of the State Environmental Policy Act pursuant to the terms of WAC 197-11-800(19).

VI. RECOMMENDATION

The City Council adopted Ordinance No. 6585 imposing an IOC to amend LUC 20.10.440, 20.25A.050, 20.25D.070, 20.25F.010, 20.25L.020, and 20.25P.050 to allow permanent supportive housing and transitional housing in all land use districts where residential dwellings and/or hotels and motels are allowed, and to allow Homeless Services Uses in all land use districts where hotels and motels are allowed. Staff has concluded that the IOC is consistent with the decision criteria required for adoption of amendments to the text of the LUC, pursuant to Part 20.30J LUC. Staff recommends for the City Council to hold the required public hearing for the IOC Ordinance, pursuant to RCW 36.70A.390, as well as initiating development and processing of permanent the Land Use Code Amendment (LUCA) during the effective period of this IOC.
