## BACKGROUND AND INFORMATION

The City Council approved the Multimodal Concurrency Code, BCC 14.10, in July. To implement this code, a new program has been developed, and the code requires that the Director of Transportation provide an Implementation Guide to administer the program. The code also requires the Director to hold a public hearing facilitated by the Transportation Commission prior to approving the Implementation Guide.

No discussion or action is requested of the Transportation Commission.

## NEXT STEPS

- September 12, 2022 - Review hearing testimony with Director. Staff sends final edits for Implementation Guide to consultant for completion on September 14
- September 15, 2022 – Director of Transportation approves Multimodal Concurrency Implementation Guide.
- September 16, 2022 – Transition period begins.
- October 17, 2022 – Multimodal Concurrency Code and program fully implemented.
