# The Issue

## Collisions

Nationwide: 5.2 million  
WA: 86,000

## Fatalities

Nationwide: 38,000  
WA: 571

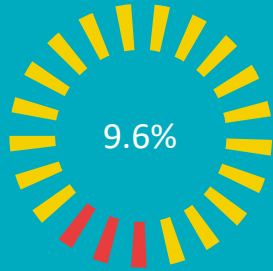

## Distracted Driving

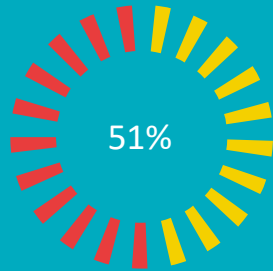

Nationwide: 680,000  
WA: 16,000

# The Issue

## Seatbelt

Percentage of people not using seat belt nationwide

Percentage of passengers killed who were not restrained

## Drowsy Driving

Number of nationwide drowsy-driving accidents

100K

800

Number of nationwide fatalities involving drowsy driving

# Root Causes

## Distracted Drivers

- #1 Reason for car collisions
- 13% of all collisions involve distracted driving.

## Uninformed Drivers

- Drivers are unaware of the power they have when behind the wheel.
- Teen/new drivers are not as experienced in driving.

## Drunk Drivers

- Drunk drivers are impaired drivers whose reaction times, decision making, and other factors are worsened.

## Driving Safety Awareness Day

- Emphasize the importance of driving safety.
- Provide information and resources about driving safety.
- Encourage others to drive safe by taking the Drive Safe Pledge.

# Drive More Safely

Don't text while driving

Leads to distraction and inattention

Don't be under the influence

Alcohol/Drugs impair judgment, coordination, reaction time

Wear seatbelt

Reduces risk of serious injury and death

Don't drive when sleepy

Get enough sleep, take breaks when driving, drink coffee

# How You Can Help

Spread awareness

Post on social media,  
tell a friend, inform  
others about our  
website

Volunteer

Volunteer at events  
like this that aim to  
improve driving safety

Donate

Donate to  
organizations that  
work to solve this issue

A billboard with a dark blue background featuring a winding road with a dashed white center line. The billboard is supported by four black posts. The text 'Pledge to Drive Safe' is written in large white letters across the middle of the billboard.
