

MEMORANDUM

Bellevue Parks &
Community Services

DATE: September 13, 2022

TO: Parks & Community Services Board

FROM: Dan Lassiter, Community Services Supervisor, North Bellevue Community Center
Parks & Community Services Department

SUBJECT: Bellevue Network on Aging (BNOA)
(Informational - no Board action required)

At the Tuesday, September 13, 2022, Parks & Community Services Board meeting, I will introduce BNOA member Abigail Brown, who will present information about the Bellevue Network on Aging, its background, purpose, and activities in advocating for the needs of Bellevue older adults. The Bellevue Network on Aging was formed in 2006 and is managed by North Bellevue Community Center staff. The BNOA is an advisory board of volunteers whose mission is “dedicated to healthy aging of the Bellevue community by promoting awareness of needs and resources that support older adults through life’s transitions.” Abigail will talk about communicating, informing, unifying, promoting a livable community, gaining knowledge, and respecting older adults that live in Bellevue.

The Bellevue Network on Aging look forward to sharing more with you on September 13.
