

Digital Cities Survey 2022

Chelo Picardal, Assistant Director
PJ Rodriguez, Assistant Director
Sabra Schneider, Director

Information Technology Department
November 28, 2022

First Place

Population Category:
125,000-250,000

Fifth year in a row
Bellevue has placed
in the top three.

Third time to win
first.

Center for Digital Government: Digital City Survey

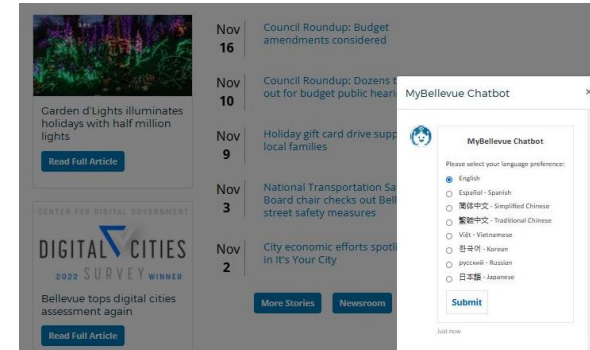

Technology Vision: Partnerships

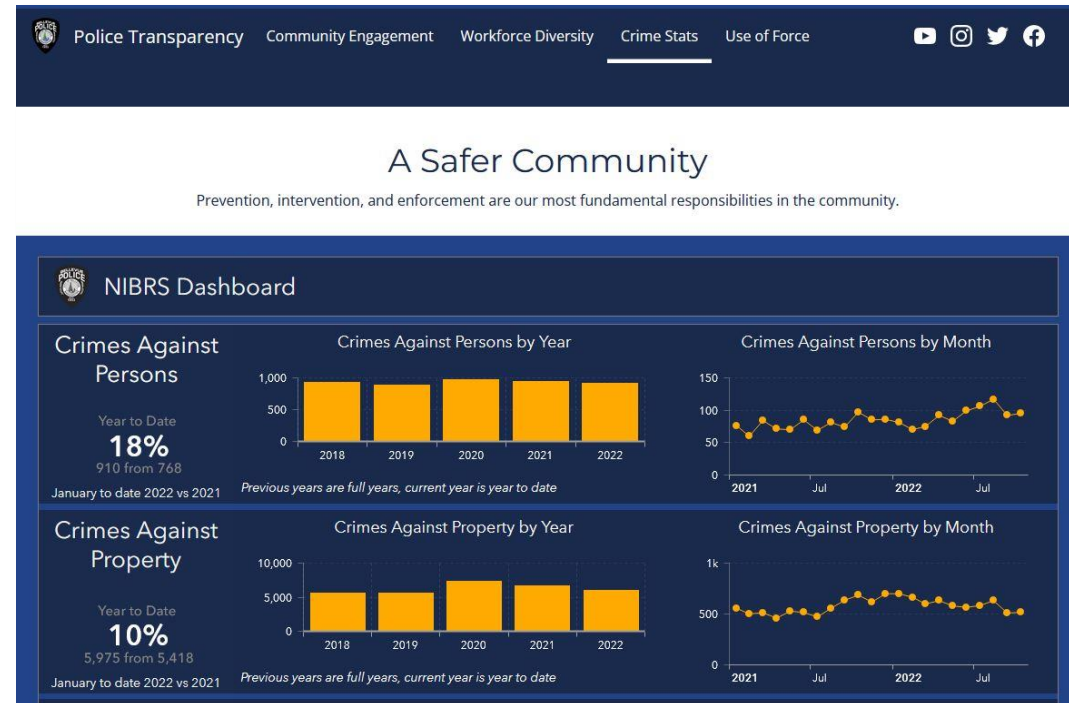

- Work begins with the City Council Vision for a smart, connected, data-informed city
- Continued advancements of Council Priorities
- Regional collaboration with eCityGov Alliance and Community Connectivity Consortium

Projects highlighted in the survey:

- Interactive data dashboards
- Multilingual Chatbot
- Public Records Center

Future of Work: Hybrid Council and Community Meetings

Congratulations Bellevue!
