Dear Park Board members,

I want to express my sincere thanks regarding your ongoing support toward providing walkable parks in the greater Eastgate area.

The recent purchase of the property at the corner of 147th and SE 39th is a marvelous first step in achieving this goal. Hooray!

I've spoken to nearby neighbors who are excited about the new addition. We're all looking forward to the planning process as it unfolds.

Rest assured, I'm committed to continue working with you all and our wonderfully dedicated Parks Department staff to identify other potential sites in the wider Eastgate area in the New Year.

Happy Holidays!
