Dear Parks Board,

I wanted to call your attention to a parcel of property on the market. It is the approximately 5 acre parcel in the Lakehurst Creek ravine located immediately north of your new community-dog park in Newport Hills. I believe the current owner is Forest Ridge School. It would be a wonderful addition to your park because of the Park and Ride lot on the north end and the easy connection to the Eastrail.

Lakehurst Creek runs thru the property and it is scheduled for Salmon Passage Recovery rehab in a few years. What a great educational and recreational boost that would be. It's a lovely piece of property and I hope you look in to the possibility of adding it to our park system. Thanks for considering.
