Dear Lorie,

Thank you for City of Bellevue's 2022 Eastside Arts Partnership Grant payment of \$6,215 on 12/19/2022 to KidsQuest Children's Museum. KidsQuest is continuing to focus on offering unique, playful STEAM (science, technology, engineering, art, and math) learning opportunities for children and families this year. We are so grateful for City of Bellevue's support!

The funding supports arts programming onsite at KidsQuest and throughout the community, particularly to continue pandemic-initiated outreach programs that help families heal through creative experiences that strengthen relationships.

A few of the programs City of Bellevue's grant supports:

- Play with Paint
- Play with Clay
- Holi Festival of Colors
- Pysanky Egg Workshop

With the help of our donors, KidsQuest's mission reaches far beyond the Museum's walls. As we embrace 2023, we acknowledge those that pushed us forward. **Thank you, City of Bellevue, for supporting KidsQuest Children's Museum!**

Sincerely,
