TO: Mayor Robinson and City Councilmembers

FROM: Jay Hagen, Fire Chief, 452-6895
Fire Department

SUBJECT: Fire Data & Systems – Advancing Data for Efficiency and Effectiveness at Work

At this evening's meeting, Fire Department staff will explain how the department partnered with IT to develop a Data & Systems team to advance innovation and efficiency. Doing so has led to streamlined operations and better leveraging of City resources. Improved data equals better outcomes, and we hope to demonstrate this to you by providing examples of how this team has applied these principles.
