

# Panel Conversation: Trends and Challenges with Services to Asian and Pacific Islanders

Human Services Commission Meeting

June 6, 2023

What are misconceptions or misunderstandings about Asian and Pacific Islanders?

What are the most significant  
human services needs and  
barriers impacting Asian and  
Pacific Islanders?

Provide a brief overview of your program and the services provided that address these needs and barriers?

What challenges are your agencies experiencing that the Commission should be aware of?

Commissioners will be invited  
to ask questions after the  
panel has completed  
answering all questions.

What did you hear that might  
change how you approach  
future funding conversations?
