CITY COUNCIL AGENDA MEMORANDUM

SUBJECT:

Resolution No. 8909 authorizing execution of a General Services Agreement for city-wide eductor and sweeping services with Davidson Macri Sweeping Inc. for a five-year term.

FISCAL IMPACT:

Services provided under this contract will support projects or programs approved by Council with funds appropriated in the 2015-2016 Budget. Funding for the latter years of the contract will be requested as part of the 2017–2020 Budget.

The 2015 budget for city-wide eductor and sweeping services is approximately \$160,000 plus applicable taxes. The Utilities, Transportation, Parks, and Civic Services Departments are currently utilizing these services. The City will be executing three agreements for these services. This proposed agreement with Davidson Macri Sweeping Inc. has an estimated expenditure of \$54,000/year plus applicable taxes. Total expenditures will be monitored by contract managers, and services will not be requested from any vendor unless sufficient funds are available to cover the services.

POLICY CONSIDERATION

Bellevue City Code 4.28.030(1):

The City has promulgated procurement procedures for the utilization of on-call contracts for services that fit within these criteria: (1) projects/tasks that are simple, short-term and small in scale; (2) services that are typically performed on a routine and repetitive basis; and (3) projects/tasks that require Council approval.

BACKGROUND

In order to simplify and streamline procurement processes, the Finance Department has collaborated with departments to identify a number of common service areas for which one competitive process can be conducted for all departments to utilize. The goal is to develop a variety of on-call contracts for staff to utilize in order to reduce costs and enhance efficiency through use of negotiated contracts.

The City's Procurement Services Division is coordinating these efforts and will continue to competitively solicit pricing agreements for other common service areas where appropriate. These on-call contracts do not guarantee that the contractor will receive a specific volume of work, a specific total contract amount, or a specific order value. They are structured as pricing agreements for specific hourly rates, terms and conditions. Should the 2017-2020 budgets reduce or eliminate funding for these types of services, the City is under no

obligation to utilize services to the negotiated upper limit or a “not to exceed” amount. Council approval is required for these contracts because the annual expenditure for the services in total is anticipated to exceed the City Manager’s (or designee) approval threshold.

VENDOR SELECTION

An RFP was conducted in April 2015 for city-wide eductor and sweeping services. Four submittals were received and reviewed, evaluated and scored by the Selection Committee made up of staff from the Utilities and Transportation departments. Review was based on criteria identified in the RFP including qualifications, hourly rates, and experience. Three of the vendor’s qualifications significantly exceeded the other, highlighting these company’s strengths and expertise in a variety of areas which will be utilized by staff for a variety of projects. Staff recommends awarding to Davidson Macri Sweeping Inc. for a five -year term.

EFFECTIVE DATE

If adopted by Council, this Resolution will become effective immediately. The Agreement will be effective June 13, 2015 through June 12, 2020 with no option for renewal.
