Summary of Changes Directed by Council
For July 6 Wrap-up Session

	Issue or suggested edit from Round 1	Council direction (Round 2)
		✓ denotes those items were Council direction was confirmed ❐ denotes items to confirm Council direction
	Citizen Engagement Element	
1.	Improve how plan addresses diversity	✓ Edit bullet on p. 28: *A successful plan would result in:* • *Broad participation of Bellevue citizens <u>in city government</u> and the civic engagement opportunities that the city offers, including citizens from our many cultures.*
2.	<u>CE-Y *Commit to engaging citizens on significant civic issues in a manner that equitably reaches all of Bellevue's population and that is inclusive of people of diverse backgrounds and languages*</u>.	✓ <u>CE-Y *Commit to engaging citizens on significant civic issues in a manner that equitably reaches all of Bellevue's population and that is inclusive of people of diverse backgrounds, languages and abilities*</u>. <u>*Recognize that engaging some population groups may require alternative outreach methods and personal contact.*</u>
3.	<u>CE-Z *Provide equitable access to the city's programs, services, and events -- including accommodation for disabilities, and populations with limited English language ability.*</u>	✓ Approved language shown in Round 1 column
4.	Comments from Lee and Chelminiak for public engagement to be culturally relevant and engagement at all levels of decision making.	❐ Confirm new policy <u>CE-Y2 *Ensure that public engagement is culturally relevant and provides citizens the opportunity to engage at all levels of decision making*</u>.
5.	N-Y <u>*Promote the growth of Bellevue as a place that welcomes the world, where residents engage respectfully in cross-cultural community life.*</u>	✓ Do not include

	Issue or suggested edit from Round 1	Council direction (Round 2)
6.	Additional option provided: _Conduct outreach on significant civic issues that is designed to reach all of Bellevue's population, including Bellevue's more isolated communities. Recognize that engaging some population groups may require alternative outreach methods and personal contact._	✓ Do not include, but incorporate second sentence into CE-Y above.
7.	Additional option provided: _Invest in training for staff to ensure effective and appropriate communication with a diverse community._	✓ _CE-Z2 Invest in training for city officials, boards and commissions, and staff to ensure effective and appropriate communication with a diverse community._
8.	Councilmembers suggested adding a statement about the value of participation on the city's boards and Council by members of the community.	❑ Confirm addition to narrative language Edit the section on page 28 of the Citizen Engagement Element to include the following addition: _A successful plan would result in_ • _Broad participation of Bellevue citizens in the civic engagement opportunities that the city offers, including citizens from our many cultures._ • _Members of the community from all backgrounds serve as representatives on the city's boards, commissions, and the City Council._ • _The city offers multiple channels of engagement, including social media and other evolving technologies._ • _Public issues, even the most controversial, are discussed respectfully and thoughtfully._ • _Adopted plans and policies reflect integration of the multiple public perspectives provided through these engagement processes._
	Land Use Element	
9.	LU-23 was moved to the Housing Element and can now be deleted from the Land Use Element (p. 55 and 92).	✓

	Issue or suggested edit from Round 1	Council direction (Round 2)
10.		❐ Confirm correction. Population figures on page 36 need to be corrected to show growth of 30,200 and a 2035 population of 160,400. This is a small change to account for the population projected for dormitories or other group quarters.
	Neighborhoods Element	
11.	Question raised about Bel-Red spelling.	❐ Confirm BelRed or Bel-Red spelling.
12.	Neighborhood areas mapping reviewed.	✓
	Housing Element	
13.	Top of p. 81, add as follows: *The Growth Management Act (GMA) requires that each county and city plan to accommodate the growth projected over the next 20 years. <u>The state Growth Management Act 's housing goal is to:</u>* <u>*Encourage the availability of affordable housing to all economic segments of the population of this state, promote a variety of residential densities and housing types, and encourage preservation of existing housing stock.*</u>	✓ Approved language shown in Round 1 column
14.	To narrative on p. 81: <u>*In addition to ARCH, Bellevue actively participates in regional efforts to address housing issues including the Committee to End Homelessness, Puget Sound Regional Council, King County Growth Management Policy Committee, and King County's Joint Recommendation Committee which recommends use of a variety of countywide housing resources.*</u>	✓ Approved language shown in Round 1 column

	Issue or suggested edit from Round 1	Council direction (Round 2)
15.	To respond to PSRC comments, add a link to both the Bellevue and ARCH websites, where the Housing Analysis will be available to the public.	✓ Edit the later portion of the first paragraph on page 78: *Information in the Housing Element is supplemented by the East King County Housing Analysis prepared in partnership by Bellevue and other cities in East King County through A Regional Coalition for Housing (ARCH). The <u>East King County Housing Analysis is available on the Bellevue and ARCH websites (embed links). It is</u> ~~included as an addendum~~ <u>provided as supplemental information </u>to the Housing Element and covers Bellevue and the broader East King County area.*
16.	HO-16 *Allow attached ~~and detached~~ accessory dwelling units in single family districts subject to specific development, design, location, and owner occupancy standards~~, where consistent with neighborhood subarea plans~~. <u>Allow detached accessory dwelling units where expressly allowed by neighborhood subarea plans.</u>*	✓ Approved language shown in Round 1 column
17.	Middle of p. 93: *HO-34 Address the ~~entire spectrum of housing needs in~~ <u>need for housing affordable to very low, low, and moderate income households through </u>the city's affordable housing programs.*	✓ *HO-34 Address the entire spectrum of housing needs<u>, including the </u>~~in~~ <u>need for housing affordable to very low, low, and moderate income households,</u> <u>through </u>the city's affordable housing programs.*
18.	HO-23 *Encourage the development of affordable housing <u>through incentives and other tools</u> consistent with state-enabling legislation.* Alternative: HO-23 *Encourage the development of affordable housing <u>by establishing development regulations that avoid barriers and provide incentives</u> consistent with state-enabling legislation.*	✓ HO-23 *Encourage the development of affordable housing <u>through incentives and other tools</u> consistent with state-enabling legislation.*

	Issue or suggested edit from Round 1	Council direction (Round 2)
19.	HO-25: *Develop <u>and implement</u> an effective strategy to ensure affordable housing opportunities are available in downtown and throughout the city at a range of affordability levels. Monitor quantity, types and affordability of housing achieved ~~and~~ for potential unintended consequences <u>and to determine if the need is being met</u>.*	✓ Approved language shown in Round 1 column
20.	HO-27: *~~Consider~~ <u>Provide</u> funding to support housing need, especially for low and very low income households. Assess housing fund guidelines on a regular basis to ensure they are consistent with changing community needs and priorities.*	✓ Approved language shown in Round 1 column
21.	HO-38 *Support regional efforts to ~~prevent~~ <u>make</u> homelessness <u>rare, brief and one time</u>. Provide a range of affordable housing options and support efforts to move homeless persons and families to long-term financial independence.*	✓ HO-38 *Support regional efforts to prevent ~~make~~ homelessness<u>, and make homelessness rare, brief and one time when it occurs</u>. Provide a range of affordable housing options and support efforts to move homeless persons and families to long-term financial independence.*
22.	HO-39 *Collaborate with other jurisdictions and social service organizations ~~in their efforts to obtain funds and operate~~ <u>to assure availability of</u> emergency shelters and day centers that address homelessness.*	✓ Approved language shown in Round 1 column
23.	HO-X8: *~~Allow hosting of Temporary Encampments at religious facilities as a form of religious expression and consistent with state law pertaining to religious use.~~*	✓ Do not include new policy
24.	Edit Housing Strategy Plan description, p. 97: *A prioritized list of work program items to ~~implement key housing policies~~ <u>address the city's need for affordable housing for those at very low, low, and moderate income levels.</u>*	✓ *A prioritized list of work program items to ~~implement key housing policies~~ <u>address the city's need for affordable housing, including for those at very low, low, and moderate income levels.</u>*
	Capital Facilities Element	
25.	Add to narrative, p. 108: <u>*The Capital Investment Program and the functional plans listed in the Implementation section of this element and in Fig. CF-1 identify facility inventories, needs, projected costs, and funding sources.*</u>	✓ Approved language shown in Round 1 column

	Issue or suggested edit from Round 1	Council direction (Round 2)
	Utilities Element	
26.	p. 146: _UT-X25. Work with King County to maintain a geographically balanced system of solid waste transfer and disposal facilities and avoid disproportionate impacts to any individual community._	✓ Approved language shown in Round 1 column
27.	_UT-X26. Explore transfer and disposal options for the period after the city's current contract with King County terminates in mid-2028._	✓ Approved language shown in Round 1 column
28.	p. 150: _UT-X21 Support neighborhood efforts to underground existing electrical <u>transmission and</u> distribution lines where a significant number of neighborhood residents have demonstrated a willingness and ability to cover the non-utility share of <u>full</u> project costs._	❐ Consider discussion on Utilities attachment.
29.	p. 155: _UT-72 Work with Puget Sound Energy to implement the electrical service system serving Bellevue in such a manner that new and expanded transmission and substation facilities are compatible and consistent with <u>the local context and aesthetics and</u> the land use pattern established in the Comprehensive Plan._	✓ _UT-72 Work with Puget Sound Energy to implement the electrical service system serving Bellevue in such a manner that new and expanded transmission and substation facilities are compatible and consistent with <u>the local context and ~~aesthetics and~~</u> the land use pattern established in the Comprehensive Plan._
30.	p. 155: _UT-73 Require siting analysis through the development review process for new facilities, and expanded facilities at sensitive sites, including a consideration of alternative sites <u>and collocation</u>._	✓ Approved language shown in Round 1 column
31.	p. 156: _UT-74 Avoid, minimize and mitigate the impacts of new or expanded electrical facilities through the use of land use regulation and performance standards that address siting considerations, architectural design, site screening, landscaping, maintenance, available technologies, <u>aesthetics,</u> and other appropriate measures._	✓ Approved language shown in Round 1 column
32.	_UT-X27 Discourage new aerial facilities within corridors that have no existing aerial facilities, unless no feasible alternative exists._	❐ Consider discussion on Utilities attachment.

	Issue or suggested edit from Round 1	Council direction (Round 2)
33.	*UT-X28 Encourage new transmission facilities to be located in street rights-of-way.*	❒ Consider discussion on Utilities attachment.
34.	p. 125: **Solid Waste.** *Solid waste management activities include solid waste planning, promotion, and monitoring the performance of private contractors who carry out collection of solid waste, recyclables, ~~yard waste~~ <u>organics</u>, and litter pick up. These services are financed through garbage rates that are set by the City Council…*	✓ Approved language shown in Round 1 column
	Transportation Element	
35.	To be reviewed 7/6	❒
	Economic Development	
36.	No changes	✓
	Environment Element	
37.	To be reviewed 7/6	❒
