THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES RESOLVE AS FOLLOWS:

Section 1. The City Manager or his designee is hereby authorized to make a formal application to the Recreation and Conservation Funding Board for grant assistance, a copy of which has been given Clerk's Receiving No. _____.

Section 2. The City of Bellevue has reviewed the sample project agreement on the Recreation and Conservation Office's website and authorizes the City Manager or his designee to enter into such a project agreement, if funding is awarded. We understand and acknowledge that the project agreement will contain the indemnification and other terms and conditions that are contained in the sample project agreement. The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.

Section 3. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project(s) referenced above.

Section 4. Our organization expects our matching share of project funding will be derived from the City's Capital Investment Program and that, pursuant to WAC 286-13-040, we must certify the availability of match at least one month before

funding approval. In addition, our organization understands it is responsible for supporting all non-cash commitments to this project should they not materialize.

Section 5. We acknowledge that if the Recreation and Conservation Funding Board approves grant assistance for the project(s), the Recreation and Conservation Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.

Section 6. We acknowledge that any property owned by our organization that is developed, renovated or restored with grant assistance must be dedicated for the purpose of the grant in perpetuity after the project is complete unless otherwise provided and agreed to by our organization and the Recreation and Conservation Funding Board in the project agreement or an amendment thereto.

Section 7. This application authorization becomes part of a formal application to the Recreation and Conservation Funding Board for grant assistance.

Section 8. We provided appropriate opportunity for public comment on this application.

Section 9. We certify that this application authorization was properly and lawfully adopted following the requirements of our organization and applicable laws and policies and that the person signing as authorized representative is duly authorized to do so.

This resolution was adopted by our organization during the meeting held June 20, 2016 at City Hall, 450 110th Ave NE, Bellevue, WA 98004.
