Hello everyone again!

Thank each of you for making the time to attend this meeting on October 4th. I was looking forward to being there tonight, but will be out of town on the 4th on the Bellvue Downtown Association trip to Nashville TN. I will look forward to hearing about your meeting and progress made, and to being at the next meeting and the retreat.

Thanks,

John

Hello Everyone

Every Planning Commissioner has committed to attending the special meeting of October 4 (which replaces the September 27 meeting). Thank you for the quick response. We are moving forward and making the arrangements to stand that meeting up.

We will send you an e-notice with the agenda packet. We will not be sending out a paper copy of this packet. The packet content is identical to the September 27 packet content with the exception of a few date references that were updated.

I look forward to seeing everyone next Wednesday, October 4 at 6:30 PM. Thank you everyone.

Sincerely

Terry Cullen, AICP
