

LUCA Memory Book

The following matrix represents a compilation of the questions asked by the City Council during its review of the Homeless Services Land Use Code Amendment (LUCA), and requests made of staff. Questions not related to the LUCA will be tracked separately. Each of the questions and requests is identified as follows:

- By the date that the question came up or the request was made
- By the Requestor
- By the date that the question or follow-up was discussed and resolved
