

Narrative Regarding the Budget One Outcomes

The 2019-2020 Budget One cycle frames the budget with the community's priorities called Outcomes. The six outcomes for the 2019-2020 Budget One remain the same as the 2017-2018 Budget. These six outcomes were developed through an extensive process in 2010 and were updated during the 2017-2018 budget process.

Improved Mobility and Connectivity - focusing on existing and future infrastructure, traffic flow, travel options and connecting people to transportation.

Quality Neighborhoods/Innovative, Vibrant, and Caring Community - promoting "sense of community" with community engagement, fostering diversity and maintaining neighborhoods that support families and providing convenient access to day-to-day activities.

Healthy and Sustainable Environment - focusing on preserving natural spaces and providing a healthy environment, which supports healthy living for current and future generations.

Safe Community - focusing on maintaining a safe place to live, work and play.

Responsive Government - fostering stewardship of financial and property interests, reflecting sound business practices, and ensuring deployment of programs that are necessary to deliver the highest priority services.

Economic Growth and Competitiveness - planning for growth that will add value to the quality of the City and create a competitive business environment that supports entrepreneurs and creates jobs.
