EXECUTIVE SUMMARY

This motion will approve the payment of claims and payroll for the month of October 2018.

RECOMMENDATION

Move to approve payment of claims and payroll for the period October 1, 2018 – October 31, 2018.

If approved, effective date: 11/19/2018

BACKGROUND/ANALYSIS

The information presented in the Fiscal Impact section covers all claims and payroll payments during the month prior to the date of the Council meeting, as required by RCW 42.24.180.

All payments made during this period were found to be valid claims against the City. Details are available from the Procurement and Disbursements Division of the Finance Department.

The City's internal controls include certification of the validity of all payments by the appropriate department prior to submission for payment. The Finance Director has delegated authority for the examination of vouchers and authorization of payments to the Accounting and Treasury Manager and Accounts Payable, Procurement and Payroll staff. Centralized Accounts Payable staff review all claims payments and Payroll performs system validation and exception reviews to validate payroll records. The Business Expense coordinator in Procurement reviews all expense reimbursement claims. In addition, the Accounting and Treasury Manager performs a random sampling review of supporting documentation for claims payments to ensure validity. The Finance Department regularly reviews its processes to ensure appropriate internal controls are in place.

POLICY & FISCAL IMPACTS

RCW 42.24 and BCC 4.40 govern the process for audit and review of payroll and claims payments for the City. RCW 42.24.180 requires the review and approval of all payments at a regularly-scheduled public meeting within one month of issuance.

RCW 42.24.080 requires that all claims presented against the City by persons furnishing materials, rendering services, or performing labor must be certified by the appropriate official to ensure that the materials have been furnished, the services rendered, or the labor performed as described, and that the claims are just, due and unpaid obligations against the City, before payment can be made. BCC 4.40.020 provides that the Finance Director or his/her designee will examine all claims prior to payment.

RCW 42.24.180 allows expedited processing of the payment of claims when certain conditions have been met. The statute allows the issuance of warrants or checks in payment of claims before the legislative body has acted to approve the claims when: (1) the appropriate officers have furnished official bonds; (2) the legislative body has adopted policies that implement effective internal control; (3) the legislative body has provided for review of the documentation supporting the claims within a month of issuance; and (4) that if claims are disapproved, they shall be recognized as receivables and diligently pursued. The City meets all these conditions.

Bellevue City Code

BCC 4.40.020 provides that the Finance Director or his/her designee will examine all claims prior to payment.

BCC 4.40.030 allows for periodic reporting of the payments to Council for approval. To meet these requirements, Finance staff schedule payment of claims and payroll for monthly Council approval on the Consent Calendar.
