Program Overview

Eastside Arts Partnerships provides operating support to nonprofit organizations providing annual arts, cultural and heritage programs in Bellevue.

The City provides annual support for organizations and individuals bringing arts to the community, recognizing the value the arts bring to our quality of life, the education and development of our children, the vitality of our businesses, and our sense of connectedness to the community. EAP encourages:

- Programming quality and sustainability;
- Arts access for Bellevue residents;
- Artistic, managerial and fiscal excellence, and
- Greater cooperation and collaboration among arts groups.

Available Funding

Providing direct support to artists and arts organizations serving Bellevue is included in the *Cultural Compass* goals, Bellevue's cultural plan. Bellevue City Council currently provides an annual allocation to support arts organizations providing ongoing services in Bellevue and to enhance local arts activities. The Arts Commission recommends roughly 80% of this allocation through the Eastside Arts Partnerships. The remaining funds are allocated through a separate Special Projects program which supports specific programs and projects in Bellevue by artists, arts organizations and presenters, and initiatives the Arts Commission recommends for implementing the *Cultural Compass*.

Limited Funding

The Arts Commission recognizes that there are more eligible and worthy organizations than available funding will accommodate. Applications will be reviewed on a competitive basis according to the eligibility and review criteria in this application. Funding amounts will be determined based on the recommendations of the panel members, endorsement by the Arts Commission and approval by Bellevue City Council.

Arts professionals from the field and community representatives may also serve on the panel. The panel will consider submitted applications and conduct interviews with applicants. **All applications will be screened for completeness. Incomplete applications may not be reviewed by the panel.**

Interviews

The review panel may request a 15 minute interview with representatives of the applying organization as part of the review process. Applicants will receive notice by November 17th if an interview is needed and will work with staff to schedule an interview for the week of November 27th. The main purpose of the interview is for the panel to clarify information on the application. If the applicant misses the interview, the panel may base its deliberations on the application alone. However, applicants have a far stronger potential to be funded if the panel is able to interview them.

Award Requirements

Organizations receiving funds must comply with the requirements stated below.

Acknowledgment

Organizations receiving funding from the City of Bellevue must acknowledge the support, at a minimum, in printed programs, or if programs are not appropriate, in signage visible to the public, as well as in digital media dedicated to the funded activities. The visibility recipient organizations provide helps our ability to maintain and raise funding levels and to keep Bellevue residents informed on how their tax dollars are supporting the arts in their community.

Recipients acknowledge that this application serves as a scope of work detailing how the funds will be used.

Evaluation

Organizations receiving funding provide access to performances/exhibits for evaluators, who may be Bellevue Arts Commissioners or staff, and/or on-site reviewers (a maximum of four tickets). On-site reviewers are professional artists or administrators who are selected based on demonstrated professional experience in a particular arts discipline and who are assigned on a rotating basis to assess the artistic work of organizations in their discipline area. The reviewer submits a written evaluation form to the Arts Program. The evaluation will be considered in future grant applications by the organizations.

Final Report

Submitting a final report once the work listed in the Scope is completed and invoice will be necessary in order to receive funding. The forms are available either online on the City's [EAP web page](#) or by request.
